In April edition of The Shoreline Journal, I opened my article with "a tip of the hat and a special thank you to David Gibson and Drew McCulloch". The article should have read David Gibson and Drew Mumford. Drew, I apologize for not getting your name right in last month's edition.

Saturday March 21st, the Peter Black Memorial Dart Shoot took place here at Branch 106, and the team of Sabrina and T r e v o r Mellroy along

with Mike Hamilton took home first place honours, with Barb Scott, Dorothy Pace and Art Shaw locking up second place. Krista Gregory, Mark Gregory and Bruce Higgins

finished up in third place.

Trevor Mellroy(75) and
Barb Scott(64) had High Finishes. Bruce Higgins and Marg Nicholson had High Scores with 174's. Mike Hamilton had the first 180. The Team attendance was away down from past years and for what reason, it's hard to say. (Thanks Earl).

The Winter Carnival has come and gone for another year and from all reports it was a huge success. I will apologize for not having a write-up in last month's edi-tion of The Shoreline but Deanna and I were in Cape Breton for a very solemn occasion and when we got

back the deadline had passed.

Congratulations are passed along to the Blue Team who won the trophy for their first place finish. The Gold Team. who led in the standings after the first day of competition. must have started to party too early as they finished up in last place. To Tamara Totten and Carnival

all the Carnival Committee, thank you very much for a job well done. To the Legion, thank you for EORUM REIII letting us hold the Cranival at Branch 106. (Thanks Skip).

A tip of the hat and a very special thank you is passed along to Marion Currie and Jennifer Ferguson who co-chaired "The

Kohler

Friendship Hockey Tournament", which was held here in Debert at the W.C Arena, in March on the 26th to 29th inclusive. Marion and

Jennifer, you put together a tremendous team and you and the team deserve all the accolades that have come your way

David Allaby once again looked after the on-ice offi-cials and did a great job. Dave, thank you for all your hard work and dedication.

To all the people who worked in the Hospitality Room, thank you, you did a fabulous job. To all the people who donated food items, thank you. To the rink staff and the girls in the down stairs canteen, thank you, for all your hard work and help. To all the people who helped sell the 50/50 tickets, thank

"The To Kohler International Window Division", who sponsor this tournament every year and the 26 local businesses who helped co-sponsor it this year thank you very much for all you are doing for the young hockey players (girls and boys) in our area.

A lot of the money made from this year's tournament will go towards next year's (2009-2010) registration fees and help the parents and/or guardians save some money at registration time

There were teams from West Colchester, Dieppe, Parrsboro, Sussex, T.A.S.A., Sackville, Bedford, Cole Harbour and Riverview

The two most often used compliments by the out of town teams were "just great" and "excellent run" tourna-

For Deanna and I, it was our third tournament of the year, one in St. Isadore, Ontario, one in Springhill, NS and one here in West Colchester. I may be bias, but the one here in W.C. was by far the best. Once again. Marion, Jennifer and all your workers, thank you very much for a job well done.

A quick look at the Crib League standings. With a couple of weeks to go, Ron 'Easy" Eastcott and Debbie Cock are in first place with 1285 points, Tom Manley and Bob Pash hold down second spot with 1388 points and Earl Harvey and Doug Mattatall round out the top three.

Debbie Buchanan has high hand with a 28. Ron "Easy" has three, 24 hands to lead in that category. Tom Manley and Bob Pash have most winning nights with 6. Tom and Bobby, along with Bunny Burris and Marg Miller have most hidden scores with 5.

Has anyone seen Wilfred Crowe lately? It seems he was a fill in for one of the crib players on Wednesday, April lst and wouldn't you know it Norm and Debbie, double skunked him and his partner Is that why he is wearing that scowl lately?

Hold the phone, stop the press, a note was just handed in, wondering why Terry R. would put a new door in the beautiful garage he built? It is not so much the new door, but why would he cut the opening with his truck? Word has it that Sharon had no trouble with the original door.

Happy Birthday wishes for

April are passed along to McCully, Danny Gerry Dawson, Cassandra McInnis. Gerry Higgins, Victor Debbie Rushton, Higgins. John Totten and Dorothy Adams. Happy Anniversary wishes for April are passed along to Pam and Jim Patton.

Please say a prayer for our troops in Afghanistan, and their families
