Out and About with Ken

By Ken Kennedy

Whew! Just got back from the Wheels To Meals luncheon at the Great Village Legion. It's pretty darn good fare for only \$6:00. There were about 30 seniors and others out to enjoy a ham and scallop dinner with all the fixings. These dinners are held on the first and third Tuesday every month from about noon to 12:30 p.m.

Tuesday's are busy days at the Great Village hall since, besides the dinner, there is bingo every Tuesday evening at 7:30 p.m. (Sorry, but the jackpot of \$2300.00 was recently won by someone from Bass River). However, Arthur Chisholm tells me the weekly consolation prize sometimes amounts to over \$200.00.

We were away over Christmas and New Year's for a total of seven weeks with Greg and family in Newmarket, Ont., arriving back home to a dead car battery on Jan. 12th. The twins will be seven in April. Where does the time go?

Consequently, other than the monthly meeting of the Great Village Legion Meeting

on Jan. 13th and the swearing in of the new executive, I haven't been out and about too much except for regular church attendance. The list of new Legion officers is given in a separate article in this paper.

I picked up the flu bug just after Christmas in Newmarket, even though I had both injections when I got there. The bronchitis turned into sinusitis and, let me tell you, sinusitis at 39,000 feet is no picnic! Somehow, even after two sets of antibiotics, I couldn't shake it and ended up at outpatients on Friday evening. What a crazy place it was back there. A couple of ambulances arrived while I was there and someone was even brought in in handcuffs. Don't know how those doctors and nurses stand it. First the triage nurse saw me, then the floor nurse, then a student doctor (who was great), and finally the doctor on duty. He prescribed a flushing process and, by golly, it worked. Everyone was panicking about the impending CUPE strike but, thankfully, it didn't materialize.

I went over to the open

house at the "Thirsty Church" in Londonderry Station on Sunday afternoon and, as usual, I was late getting there, after the meeting was over, but I did get a chance to have a quick look around. There were about twenty people there when I arrived. There was a lot of people there I didn't know. I spent most of the time upstairs in the sanctuary which, to me, should be a priority if any repairs are to be completed. There's something holy and serene about that little community church, to my way of thinking. (It's time to take the Christmas tree down, Evelyn!) I was hoping to see Margaret Barnes and/or Myles and Georgie Rushton but they were all AWOL.

As far as Debert Happenings is concerned, there were two notable birthdays in January and they were Jennie Slack (90) on the 9th and Doris McCulloch (88) on the 15th.

Since Chris covers most of the activities of the UCC area churches in her column, I will stick to the Baptist church, since that's the one I know best. Our coffee house was well attended on the 16th

with some of the singers coming up from the Masonic jam session that afternoon.

Our coffee houses are held on the third Saturday of each month, except July and August. All are welcome. A Saturday evening youth group has been formed by Pastor Martin with help from the Belmont Baptist church. All teenagers in the area are welcome from 7-9 p.m. A general discussion on life issues takes place along with videos, snacks thrown in for good measure. For further information, please call Pastor Bill at 641-2255.

Had a nice chat with Gerald and Donna Cole of Community Metals housed in the old army recreation centre. They had just arrived back from missionary work in the Dominican Republic and felt the earth shake when the earthquake hit Haiti. They were working with a church from New Brunswick and the poverty - and the heat - there is staggering. They are accepting monetary donations to continue the work there. They like to talk about it so give them a call or drop by some day - if you have a couple of hours to spare!

Happy New Year and God Bless.

Great Village Fire Brigade News

The days are growing longer and we're almost through January, but we're definitely still in heating season.

Keep an eye on your flues, prevention is the best way to avoid a disaster.

We've begun the new year at the Department and we're working on the upkeep of equipment and are settling into the routine after the Christmas holiday season.

The monthly schedule is as follows: Meeting Night- 7:30 pm on the first Wednesday of the month, Training Night- 7:00 pm on the second and fourth Wednesday's of the month and Work Night- 7:00pm on the third Wednesday of each month.

Feel free to drop in and see what we are about.

If you are interested in becoming a member, you can call Terri-Lynn at 655-2015 for further information.

Civic number signs are available for order from Betty (668-2314). Remember, not all emergencies come with smoke and flames for us to look for. Nor is it always the Fire Dept. that you need in an emergency.

It may be another Emergency Response Agency that is responding to you, and unlike the members of our Department, they may be unfamiliar with the area.

A civic number clearly marks your location so that anyone can find you in an emergency.

Bass River Heritage News

Happy New Year Everyone! We're already one month in to 2010 and "Old Man Winter" is being pretty easy on us so far.

The Heritage Park/Kiosk looked great for the holidays all lit up. Thanks to everyone who came out for the lighting,

it wasn't too cold but the hot chocolate and cookies sure tasted good.

There's not much to report as things are quiet around the museum this time of year, however, we still meet every month and our next meeting will be Mon, Feb 8th at 6:30.
