

#neverstopgrowing

**If you want them to fill the tank,  
you need to fill the bunker.**

In order to get the best results from your herd, you need high-quality corn silage and lots of it. Pioneer® brand corn silage products feature top yield potential, excellent fibre digestibility and solid agronomics. Which means you can fill the bunker while your herd enjoys filling their stomachs.

Talk to your local Pioneer sales rep or visit [pioneer.com](http://pioneer.com) for more information.
