Situated at 27 Jennifer Drive off Pictou Road in Bible Hill, Roadside Willies Smokehouse & Bar offers a casual dining experience in Truro and Bible Hill. Whether stopping by to unwind with your favorite beverage, or savoring a full course meal with friends, Roadside Willies serves up something for everyone.

Willie's philosophy is simple. Dining out should be an enjoyable, unrushed experience in a clean and cozy setting. A warm décor, tasteful music and friendly people create an ambiance that is second to none, making Roadside Willies a best value dining destination in Truro and Bible Hill. The staff, atmosphere and food at Roadside Willies attract patrons looking for a unique alternative to

chains and fast food factories where customers queue up as faceless "seat turnovers."

An extensive menu features tastes from around the world. Enjoy incredible salads, appetizers, sandwiches, seafood, smokehouse favorites, pastas, gourmet pizza, desserts and more. The ribs and chicken are prepared and smoked in-house over real hickory wood. Daily lunch and evening specials offer exceptional value. Kid's value meals include a main dish, juice, pop or milk and ice cream for only \$3.95. Saturdays are really special as kids eat free (one free kid meal per adult entrée).

Looking for something extraordinary? Only Roadside Willies dishes up a succulent 5-course dining extravaganza with its amazing Seafood Fest. Tourists come to the Maritimes expecting fresh Atlantic seafood, not frozen products from far away places

or deep-fried this and deep-fried that. And there is no doubt about it. Local food is best when it comes to freshness, taste and answering questions like, "I wonder where that food came from and is it safe?" Willie's 5-course Seafood Fest guarantees fresh Atlantic seafood, prepared the way it should be to showcase the distinctive flavor and texture of the cold Atlantic's amazing bounty. Reservations are required to ensure only the freshest ingredients are procured. Call 902-
