It has been an exciting season for the West Colchester Cobras Boys Basketball Team. A recent tournament in Trenton, at the end of February, saw the Cobras winning all three of their games, with WCCS player Clayton Cooke earning Tournament MVP.

This is the second year Geoff McLean has coached the Cobras and he has seen significant growth in the team since last year. "The 1st year we focused on getting the players to believe in themselves, and this year we have

been focusing on team work," he says.

Geoff MacLean is the Associate Pastor of Family Ministries for Faith Baptist Church, Great Village. He says he has played basketball since he was 4 years old and grew up playing competitive basketball.

The WCCS Cobras came in 3rd last year, which was an improvement over the year before, and this year they moved to second place in seasonal play.

"The Grade 9's have

stepped up and took leadership. Their talent is as you can get right now and the end result has been plenty of wins," says Pastor McLean. "We only lost against one other team in the League, the Colchester Christian Academy team."

The Cobras were in second place after seasonal play,

which earned them a by to the semi-final game held at Central Colchester Junior High on March 25th. They won their first game against Riverside 69 to 42, which put them into the Championship game against Colchester Christian Academy.

The West Colchester Cobras pulled off an amazing 37 to 33 win, winning the Lynn Dolmont-Ross Memorial Trophy, and earning the title of Colchester East Hants District Junior Varsity Basketball Champions.

"The team was very excited last night," says coach McLean in an early morning phone call on the 26th. "They were extremely pleased to bring home this District Championship trophy."

Pastor McLean has been pleased to see players take the teaching he has been providing and learn from it. "I believe basketball is not just about the win, at the end of the day it is about teaching them life skills that will stay with them the rest of their life," he says.

Congratulations to WCCS Cobras. Well done!
