Clifton 4-H Club Report

The Clifton 4-H club has 14 members in the 2013 goat project. Waugh's hobby farm in Lower Truro so far have 7 kids born to 5 does and 2 bucks. Some of the Clifton 4-H Club goat project members will use these goats in the project this year. (Teresa McNutt Photo)

By Andrea Chestnut

March has been another eventful month for Clifton 4-H Club. One of our many things that happened this month was the club rally Saturday, March 2nd. Having completed their speeches and demonstrations members can finally take a break, unless they are one of the few people who have will be going to county rally on April 13th.

The top speakers from the club rally are: **Junior Speeches** 1st Emily Smith, 2nd Amy Crocker, 3rd Emily White, **Intermediate Speeches** 1st Keiana Llewellyn, 2nd Marla McNutt, 3rd Therese McCurdy,

Senior Speeches 1st Jelisa Waugh, 2nd Taylor Desjardins, 3rd Jake Works, **Junior Demos** 1st Andrea Chestnut, 2nd Chloe Beaver, 3rd Luke Hendsbee, **Junior Double Demos** 1st Heidi MacKay and Megan Smith, 2nd Emma Hayman and Hanna Murphy, **Senior Double Demos** 1st Gillian Blackburn and Ella McCurdy, 2nd Holly Brown and Kassie Stevens. Congratulations to all members for a job well done.

On February 23rd the foods members met, at this meeting the members made chicken rice stir fry and fruit salad.

Andrea Chestnut is club reporter for the Clifton 4-H Club.

MacCaul Villa Notes

By Hazel Hill

(Note: Hazel's column did not arrive in time to make last month's issue, so we have combined two month's into one.)

Shirley Ryan is in Truro Hospital having tests and expected to be there for a few days.

Bernice Kaulback and Stella Power celebrated birthdays in January. Cake and Ice cream was served in the lounge. In February, Russell Bird celebrated his birthday. We wish all a Happy Birthday.

CALA Adult Education Learning classes have been held here in the lounge on Wednesdays. It's nice to see a large group attending. Everyone is welcome to attend. There is something for everyone and refreshments are served.

Our sympathy goes out to the family of Irene Spencer, who was a resident of the villa for several years, before moving to Pugwash Nursing Home. Also to Kevin Fields, who lost his father recently.

In my last column, I left out the following: We owe many thanks to the Glooscap 4-H clubs, who made each of us a pretty green wreath for our doors and also gave us some fruit. The wreaths were beautiful

and we thank them for all the work and effort put into this project.

Dennis and Dian Millen and their grandson, James Millen, left on a trip out west to visit family. George Cook and friends were here on Wednesday for music. Everyone enjoyed the evening.

Florence Adams who now resides at Wynn Park tells me she is getting along good and has found a friend to play crib with and she has beat him four times. He promised to beat her the next time, but I don't know if that game as been played yet. Anyone would have a hard time defeating Florence at crib. Florence was spending some time that day with her daughter, Judy.

The CALA classes, being held here, are doing very well. There were off for March break, but began on Monday, March 18th. Several from here are attending the classes.

Arthur & Barb Muise visited with Bernice Kaulback on Saturday. Jeanette Fulton, Bernice's oldest granddaughter, visited her during the week.

On Sunday, Linda and Bud Morrison, Bernice Kaulback went to Thompson Station to the Shellnut Restaurant for supper.

Great Village Fireman's Auction – April 27th

By Kathy Giles-Simpson

The 27th April will mark our 50th Annual Firemans' Auction. Beginning at 10:00am, the bids will open for a busy day which will see us auction off everything including the kitchen sink. Goods, both new and used will be available.

Your support helps us with general operating costs, training expenses, and the purchase of two new emergency response vehicles in the past few years.

If you would like to make a donation (either monetary or goods) please feel free to call the fire hall and leave a mes-

sage including your name, number and what is to be picked up. One of our members will be more than happy to take care of it for you. Our phone number is 668-2784.

We would like to say congratulations to Marshall Lundie, who has just completed his AMFR training. He will be a welcome addition to our current compliment of First Responders.

As always, civic numbers are available from Betty. Just give her a call (668-2314) to place your order. They easily identify your property in an emergency.

Until next time, be safe.

Atlantic Industrial Services

A DIVISION OF ENVIROSYSTEMS INC.

Community LIAISON Committee

Atlantic Industrial Services, a Nova Scotia company and long time employer in the Debert community, is asking the public's assistance in establishing a Community Liaison Committee. A similar committee existed in the past and was known as the Environmental Concerns Committee (ECC).

With the public's help and input, Atlantic Industrial Services would like to gather together a small group of interested participants to meet on a regular basis.

This group, we hope, would consist of members of the community, our representative Councillor and representatives from our Company. This group would be tasked to discuss and review the operations of our business that affect the community, establish methods to better inform and communicate our activities with the community and make recommendations towards how we could continue to improve as a member of your community.

No past committee or environmental experience is required. Any interested citizens are asked to please send a brief description of themselves, where they live and their interest to join this committee.

Please include mailing address, phone and email address to:

Community Liaison Committee
c/o The Shoreline Journal
Box 41, Bass River, NS
B0M 1B0

Deadline for submitting applications is Tuesday, April 23, 2013.

Please note: Atlantic Industrial Services will not be involved in the selection process of choosing committee members.
