WCCS Happenings – March was Splendid

By Heather Boyd

March has been an eventful and splendid month at the school! Winter Carnival Week was full of many activities like swimming, rock climbing, ball hockey, volleyball and snowshoeing. The events were entertaining and educational for students, and it was an epic way to lead into March Break.

WCCS Got Talent was a huge success, with a wide range of entertainment. The gym was packed and those in attendance had the privilege of witnessing everything from karate to a

puppet show, and some impressive musical talent. Many thanks to everyone involved, especially to students for having the courage to share their gifts and abilities.

A Scholastic Book Fair will be held at the school, April 13-14, in support of the library. All students who visit the fair will have an opportunity to enter their name for a chance to win \$25 in books for themselves and \$25 in books for their teacher of choice. Bring your quarters! There will be a Skittles Guessing Jar at 25 cents

per guess, and grades P-5 will have a Book Walk costing 25 cents to play with a chance to win prizes of books, posters, and pencils. The community is welcome to shop when the store is open for Parent Teacher on April 14th 6-8 pm, and the final family shopping day will be April 15th from 9 am to noon.

Parent Teacher will take place on Thursday, April 14th from 6-8 pm, and Friday, April 15th from 9am-12 pm.

Do you have some old favourite family recipes laying

around? You can help. We are collecting recipes for a cookbook fundraiser, each student is asked to bring in two family favourite recipes...stay tuned to find out when and where you can purchase the cookbooks!

The school is always looking for volunteers to help with school dances and class trips. Please look for details with permission slips going home in students' agendas.
