CEC had an overall 54-1 season record and won all 10 tournaments in which they competed. It was the third straight provincial win for CEC.

The second team Harvey coached was the Truro Tide 16U. The Tide 16U team went 30-1 in match play against all NS/NB teams. They won the Volleyball NS Provincial Club Championship, followed up by winning the Tier 2 gold (ninth in Atlantic Canada) at the Eastern Canadian Championships.

Harvey prides himself on not just creating good volleyball players and teams, but also good people. He has had many players move on to be strong players at the university and national levels.

Permissible Alcohol Purchases Revamped

By Maurice Rees

As a result of amendments to the Municipal Government Act (MGA), the Municipality must adopt an expense policy that applies to every reportable person in the Municipality and development of a hospitality policy. The most notable change prohibits reimbursement for any alcohol purchases whether by individual staff or at larger events hosted by the municipality.

Under the Municipal Governance Act, an annual sum-

mary report must be filed with the Minister of Municipal Affairs by September 30 for the preceding fiscal year. By the January 31 immediately following a regular election shall review the Expense Policy and, following a motion by Council, either re-adopt the Policy or amend the Policy and adopt as amended.

This does not mean alcohol can not be served at municipal events. Alcohol served at hospitality events will not be paid for or reimbursed by the Mu-

nicipality, but may be offered to individual attendees for purchase.

It might be called an exception, but the hospitality policy is defined as follows: Hospitality - expenses incurred while hosting individuals from outside of the corporation of the Municipality of Colchester including receptions, ceremonies, performances, or other group events. Allowable expenses may include meals, beverages or other approved items.

Hospitality may be offered under the following circumstances: Hosting dignitaries; Engaging in official public matters with representatives from other governments; business, industry/labour leaders; or other community leaders; Sponsoring conferences; Hosting prestigious ceremonies/recognition events; or, Other authorized official functions, as approved. Authorization - All hospitality events require prior authorization by the CAO or his/her designate. If the CAO or designate incurs a hospitality expense, it must be approved by the Mayor.

With last fall's changes to the Municipal Governance Act council must separate the Executive and Audit Committee into two committees. Recent legislated changes requires municipalities have an Audit Committee with at least one member of the public, living in the municipality, to sit as a representative on the Audit Committee.

Grand Slam of Curling to Return

By Maurice Rees

The last week of October the focus will be on Truro and the RECC centre when the area hosts the Grand Slam of Curling Masters, running Oct. 23 to Oct. 28, 2018. The event will feature 15 of the top men's teams and 15 of the top women's teams in the world.

The Masters is an elite-level competition with \$250,000 and valuable tour points on the line. In 2015, the event enjoyed huge success in Truro, as over 130 volunteers worked tirelessly to ensure fans and athletes had a great experience. Following the tournament, local Curling Clubs saw a noticeable jump in the level of interest in the sport.

Owned and operated by Sportsnet, a Rogers Media company, the Pinty's Grand Slam of Curling is an annual series of seven curling tournaments that attract the world's best curlers. The Masters will be the second stop on the 2018-2019 Grand
