

CCJHS's student and teacher hockey teams. Students won 8-4. (Mary-Emma Barnhill)

## Musical Oz – April 10<sup>TH</sup> & 11<sup>TH</sup>

By Mary Emma Barnhill

There were many fun activities at CCJHS in the month of March! We started off with our Survivor themed food drive, which lasted two weeks. Students brought in items for the school breakfast program and placed them in their favourite teacher's box.

Whichever teacher had the lowest number of items that day was eliminated. Congratulations to Mrs. Harrison, who was the final survivor! Over 1000 dollars worth of food for CCJHS's breakfast program was raised.

The Student vs Teacher hockey game was held after school on March 6th. The stu-

dents beat the teachers for the first time ever with an 8-4 victory! Congratulations to both teams.

Local hypnotist Ian Stewart put on a show for the students on March 7th. Fifteen Grade Nine students had the opportunity to be hypnotized (and make the other students laugh).

CCJHS's Archery Club is currently meeting after school weekly. Their annual field trip will also take place in the near future.

The Maker Space room at CCJHS is currently being used for many different projects. Examples include video projects, stop motion, claymation and activities on the Lego table. The technology in the Maker Space room includes a 3D printer, a green screen, cameras, microphones, programmable robots such as Spheros, craft supplies, computers, iPads and Chomebooks.

This year's musical Oz!

will be performed on April 10th and 11th at 6pm. The students have been working very hard, so be sure to come out and watch. Please contact the school if you are interested in tickets.
