

Toward the purchase or lease of a new in stock Ford EcoSport or Ford Escape or Pre-Owned Vehicle. Expires April 30, 2019. See us for details.

We want to introduce you to our new compact vehicles; in particular our Compact SUV models.

Recently, over the past few months we introduced the **New Ford EcoSport**. It was a hit from day one! We priced EcoSport models so good that we've been selling as fast as we could get them from the factory. The second Compact SUV is the **Re-Designed Ford Escape** which continues to be our Top Selling Compact SUV! We recently made a **Special Factory Purchase** on both models and now have a stockpile on our lot to choose from. Both are available in two and all-wheel-drive versions.

If you've been thinking about trading your current car, truck or SUV up to a newer model, Hollis Ford would like 20 minutes of your time to make you an incredible offer on your vehicle. Due to current market conditions, your vehicle may be worth a lot more than you think!

Take our 20-Minute Proposal

No Pressure, No Hassles and No Obligation

When you bring us your vehicle, all we ask is that you give us 20 minutes of your time. We will tell you what your vehicle is worth and you will have 3 clear cut options:

1. Take the Cash
2. Trade for a Newer Vehicle
3. Walk Away

Between now and April 30, 2019 Hollis Ford is providing you with a \$500 Gift Card. Use it on the purchase or lease of any new in-stock Ford EcoSport, Ford Escape or Pre-Owned Vehicle. You may apply it to the purchase or lease price or use it as a down payment or to purchase a number of extended warranties we offer or you may keep the cash!

Don't wait! Market conditions change quickly and it will most likely end up costing you a lot more for the same vehicle if you wait. **No trade in? No Problem. You still qualify for the \$500. But Hurry, this offer expires at 5:00 PM Tuesday April 30, 2019.**

To receive your 20 minute proposal, please stop by or give us a phone call to schedule an appointment with one of our vehicle consultants.
