

Renewable energy will play a key role in Colchester's energy transition. Artwork by students from L'École Acadienne de Truro for the Community Energy & Emissions Plan. (Contributed)

Expanding transit in Colchester will remove transportation barriers for many residents as well as cut down on emissions from personal vehicles. Artwork by students from L'École Acadienne de Truro for the Community Energy & Emissions Plan. (Contributed) See also pages 19-25.

Take care of nature, plant a garden, and compost. Agriculture and forestry are essential to Colchester's environment and economy and also present opportunities for emissions reduction. Artwork by students from L'École Acadienne de Truro for the Community Energy & Emissions Plan. (Contributed) See also pages 19-25.

Complex jobs are what MacIntosh Landscaping and Trucking Ltd enjoy, as no job is too large or small. This project involved a retaining wall, landscaping, walk-way, patio stones. And landscaping design to create a new lawn, sodding, hydroseeding, maintenance and major clean-up. (Contributed)

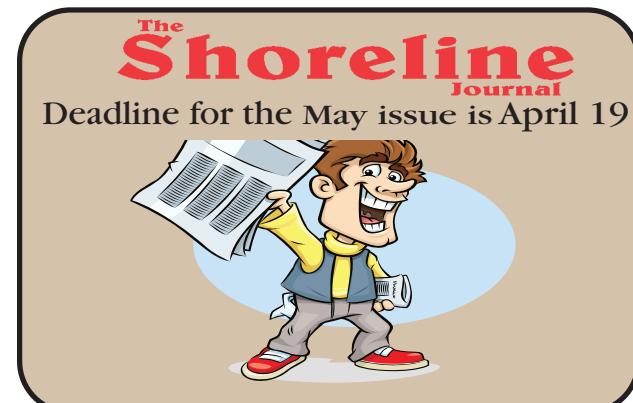

The Floral Centre at Sobeys, 68 Robie Street in the Fundy Trail Mall has a large assortment of bouquets, flowers and plants just in time for Easter. (D Brown Photo)
