Provincial Aerospace Ltd. Assistant Controller & Senior Business Analyst

Provincial Aerospace Limited is a fast paced, Newfoundland-owned company with international operations and operating bases located throughout Canada and the Caribbean. We are committed to aggressive growth and development and we are currently seeking dynamic individuals to join our team in St. John's in the positions of **Assistant Controller** and **Senior Business Analyst**. These are newly created roles as a result of the growth and success of the company, and are an excellent opportunity for the designated accountant who wants to take their career to the next level.

As **Assistant Controller** you will provide support to the core functions of producing accurate and timely financial statements, reports and analysis, maintaining financial accounting systems, monitoring financial results, and reporting on variances. In this role your responsibilities will also include, but are not limited to the maintenance of internal control systems and ensuring that accounting practices are in compliance with established internal controls. Further, your role will involve assisting in management, implementation and integration of internal and external systems within the accounting division.

As **Senior Business Analyst** your primary responsibilities will be to develop, interpret and implement complex financial models and accounting concepts or techniques for financial planning and control, analyzing financial results of various business units, focusing on significant variances from fiscal plans and forecasts, analyzing results against trends and benchmarks in an effort to find efficiency, and opportunities. This position will provide support for the development and reporting of key performance indicators for senior level management, and enhancing the process of reporting on business performance.

Qualifications:

The ideal candidate must have successfully completed a designation as CA, CMA, or CGA, in addition to a minimum 3 to 5 years experience in Accounting or related position. Candidates must be able to demonstrate excellent analytical and problem solving skills, and must be able to work successfully in a dynamic and collaborative team environment.

Forward Resumes:

Human Resources Department, Fax: 709-576-1802, E-Mail: jobs@provair.com

Provincial Aerospace is an Equal Opportunity Employer. Only those candidates selected for an interview will be contacted.
