## Great Village Family Day AUGUST 21<sup>ST</sup>

*By Heather MacKay*

August is Blueberry Harvest month and the Great Village Community Association will be celebrating with a Family Day August 21st. We will start off with a Tea and dessert in the Lower Level of the St. James United Church, while games will be underway on the green.

At the Legion we will have displays of Community Groups, Organizations and booths. A 50/50 draw will happen so try your luck along with a Ice Cream Bingo for those young and young at heart. As the afternoon passes it will soon be

suppertime, so why not join us for BBQ burgers.

Bring along a blanket sit on the green and listen to some live entertainment. If you are able to volunteer an hour of your time on the 21st to supervise a game or make a dessert for the tea or cupcakes for the cupcake walk, let me know.

This is going to be a great day. This will be a wrap up of our summer events. We have a lot planned for our community from Tots and Parents Group to Friday night movies. Hope you can make it out. Thanks Heather 668-2501.

## REINFORCED PLASTIC SYSTEMS INC.

MAHONE BAY, NOVA SCOTIA

### Mechanical Technologist - Piping

Reinforced Plastic Systems Inc., an international producer of FRP composite piping with plants or service locations in Nova Scotia, New Brunswick, Ohio, Pennsylvania, Virginia, Utah, and Alabama, has an opening for a **MECHANICAL TECHNOLOGIST - PIPING** at our Mahone Bay NS facility. This is a permanent, full time position. Responsibilities include design and preparation of piping manufacturing specifications, creation of isometric and orthographic piping drawings, checking of drawings, preparation of bills of materials, assisting with cost estimates, and other drafting and project related activities. This position is with-in our Project Team and the successful candidate will work closely with Drafting Personnel, Engineers, Coordinators, Production, Sales, and our Customers.

The successful candidate should have a diploma in Mechanical Technology, be energetic, have a good mechanical aptitude, along with strong written and verbal communication skills. Proficiency in the use of Solidworks (or similar), AutoCAD, Excel, Word, and Outlook, is required. Preference will be given to candidates with a minimum of 3 years mechanical technology experience or experience in pipe design. However all qualified and interested candidates are encouraged to apply.

Salary commensurate with qualifications.

For more information about our company, products, and markets, please visit our web site at [www.rps.ca](http://www.rps.ca).

Please apply by **August 16th, 2010** by mail, fax, or e-mail to:

Reinforced Plastic Systems Inc., PO Box 290, Mahone Bay NS B0J 2E0  
 Attention: Assistant Manager - Project Coordination  
 Fax (902) 624-6395 Email: [jpb@rps.ca](mailto:jpb@rps.ca)

We appreciate all applications, however, only those selected for an interview will be contacted.
