

10<sup>TH</sup> ANNIVERSARY FEATURE

## Debert Golf Club

Devin Atkinson uses a special greens mower to keep the cut to an exacting three-sixtyths of an inch.

Owen Slack, one of the golf course ground's experienced maintenance workers.

What a beautiful day for a round of golf! Larry Kinsman and Pat Flemming keep their eye on the ball.

## Continued from page 13

Opening Day for the golfing season was May 31st, 2003 with a Grand Opening Celebration held on July 19th, 2003.

Randy says today they are mowing about 40 acres of grass at Debert Golf Course. The greens are mowed to 3/16th of an inch every day, and the fairways are mowed three times a

week, keeping the maintenance crew of Owen Slack, Kelly Fletcher and Devin Atkinson very busy.

Improvements over the last ten years have included the addition of a practice putting green and a 250 yard driving range, widening the fairways, building bigger tee decks, a 20 ft extension on the cart garage and adding a 240 sq. ft.

expansion on the kitchen area.

The fully licensed kitchen is air conditioned, with a screened in sunroom and patio deck overlooking the fairway. Breakfast, dinner and supper are served daily, along with daily food specials.

Eighteen power carts are available for rent.

The Debert Golf Course

has hosted many large and small golf tournaments over the years, including the annual Doug Peppard Memorial Tournament, held each July.

Weekly specials include: Monday- Play 18 holes for the price of 9 (\$22 tax incl.); Tuesday- Seniors golf at 9:00AM; Wednesday- Ladies Night, beginning at 5:00PM; Thursday- Men's Night, beginning at 5:00PM and Friday Night- Couples Night, starting at 5:00PM with Friday Night Suppers, as well.

Looking to the future, Randy says his dream would be to build another 9 holes, "and hopefully, with any luck, this will happen within the next few years!"

MEMORIAL  
GOLF TOURNAMENT

Debert Golf Club

Busy gals! Family members helping out at the Doug Peppard Memorial Golf Tournament included (l to r) Natalie Ryan, Sharron Ryan, Shelly MacInnis, Iris Peppard and Sonya Barnhill. This the 5th year for the tournament, with 22 teams taking part. Money raised this year was being donated to the Central Colchester Junior High School Tech Ed Department.

Buck Kurivial takes his turn at the "Closest to the Hole" challenge during the 2012 Doug Peppard Memorial Golf Tournament. This tournament is held each July at the Debert Golf Club.

MLA Karen Casey took some time out from a round of golf in the Doug Peppard Memorial Golf Tournament to congratulate Danny MacKay on the Debert Golf Course's Tenth Anniversary.

Your source for green, earth-friendly printing

**PRINT GREEN** It's the right thing to do.

We need printed products, but does it have to wreck the environment? No!

At Specialty Print and Copy we take great pride in our ecologically sound printing practices. No toxic inks, no toxic toners; we use instead, vegetable-based and water-based inks. Combined with FSC and recycled papers and less waste, we offer the environmentally conscious customer the choice of a smaller carbon footprint and far less environmental damage to produce printed products of the highest quality. Our experts can assist in the planning and design of your printed products.
