# The Ship's Log...

By Gleneida Canning

Greetings from the Ship's Company Theatre. This summer is going fast, and we have been celebrating a busy season thus far. Sales for The Maritime Way of Life are great, and our Monday Night concert series is off to a good start. We have attended the first reading for The Nuttalls, and it is currently into rehearsals. The Nuttalls is a comedy starring Adam Bayne, Martha Irving and Amy Reitsma. This play follows the antics of a dysfunctional mother and her grown son who operate a cabin rental business. A comedy by Michael Healy, The Nuttalls runs from August 1st to August 26th.

We welcome Ryan Cook back to Parrsboro for The Legends of Country Music on July 26th, and July 27th. Ryan and his band do an amazing show featuring all the best of country music greats such as Merle Haggard, Anne Murray, Conway Twitty and many more. Ryan is an outstanding performer and we know this will be a show you will not want to miss. Why not call and book your tickets soon for these shows. Like us on facebook or see our website [www.shipscompany.com](http://www.shipscompany.com) for more details on what's happening at the Ship's Company Theatre.

Currently behind the scenes here at the ship, the crew is busy building the set

for the Nuttalls and getting the lights and sound ready for the next play. I have said it before but it deserves repeating, we have a great crew here this year, they are always ready to help out in any way they can. We are very lucky to have such good people.

If you are interested in getting involved with the Ship's Company on a volunteer level, we would love to hear from you. We always appreciate any help we can get with our fundraisers. In addition to fundraising events, we also rely on volunteers to help us with front-of-house. If you would like to learn more about volunteering for our Theatre give us a call, we are always happy to welcome new folks!!

Before I finish this month's column I would like to mention our upcoming golf tournament to be held on September 21st. There will be lots of details posted soon on our website and facebook page. If you would like to play in our tournament please call us today for more information or to register.

*Until next month, have a safe and happy summer, and we hope to see you at the Ship's Company Theatre soon!*

# The Nuttalls, A Comedic Gem BY MICHAEL HEALEY

After a very successful run with The Maritime Way of Life, the Ship's Company Theatre continues with Summer Of Laughter presenting The Nuttalls. Rehearsals are well underway and things are going great.

Written by Michael Healey, directed by Matthew Tiffin, The Nuttalls stars Martha Irving, Adam Bayne and Amy Reitsma. Set design is by Evan Brown, lighting design by Michael Fuller.

The Nuttalls is a comedic gem written by Governor General's Award-winning playwright Michael Healey following the antics of a

hilariously dysfunctional mother and her grown son who run a rural cabin rental business. They love each other, they hate each other, they lie compulsively, and try anything to get the upper hand. The grown son, in a desperate bid to win his freedom from his agoraphobic mother-stages an outrageous event. Is it true? Or is it yet another lie?

The Nuttalls runs from August 1st to August 26th at the Ship's Company Theatre in Parrsboro Nova Scotia. We wish to thank our extremely generous Main stage Sponsor, Wilson's for their support.
