

Bear Hunting - Finally a Success

After a few years of trying to find bears to photograph in the wild, the time was finally right! A mother bear and her three cubs were grazing along a roadway in Wentworth. A family photo of all four bears was not possible but it was certainly an exciting visual moment. The bears continued to graze and then wandered off into the nearby bushes.

(Harrington Photos)

Guided by heaven, Guided by God (Heaven's Key)

I walked with an angel today
I talked about heaven and hell
I rocked to a song you could say
about how the devil had fell.

Enter with heaven's key

From the grace of God to the earth below
There's a curse to us near and far
How unpe thoughts in our minds do grow
Like poison in a mason jar.

Enter with heaven's key

It rots our very hearts and soul
We lose our way to heaven's gate
Stumbling down a fiery hole
It's really just the devils bait.

Enter with heaven's key

I walked with my God today
To ask forgiveness of my sins
Of what pittance I must pay
So that evil never wins.

Enter with heaven's key

I walked with Jesus on Heaven's Road
and we prayed a prayer of peace
Then Mary held out her hand to hold
We can make the world's anger cease.

Enter with heaven's key
Enter the doorway of faith!

God bless and Thank-you. Thomas A. Marshall, (Ex-Navy)

On June 30, over 1,500 kids and adults came out to kick off their Canada Day Celebrations with Classified and David Myles.

Celebrating 100 years

WILSONS

2014 Wilson Family Scholarship Recipients

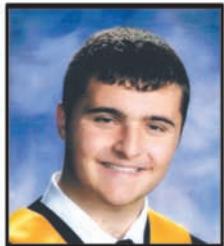

Wilson Fuel is proud to support its employees, their children and grandchildren further their post secondary education at university or community college. The Wilson Family Scholarship is awarded yearly to those who have achieved success at school or a trade and are involved with their communities through volunteering, sports or the arts.

Paige Gallant

Richmond ESSO, PEI

Active in sports and community volunteer work, Paige earned a 95% average in her final year of high school. In the fall, she will be attending University of New Brunswick, studying to receive her Bachelor of Sciences in Engineering. Paige has worked at the Richmond ESSO in PEI for close to two years.

Chandler Kinney

Elmsdale ESSO, NS

With his eye set on a career in law, Chandler will be attending Saint Mary's University this Fall taking a business degree. A varsity and provincial level basketball player, Chandler is interested in many sports, music and volunteering in his community. He's a two year employee at Elmsdale ESSO.

Megan Bustin

Lunenburg, NS

A provincial level curling champion, Megan was athlete of the year at her high school participating in soccer, badminton, softball and curling; all while maintaining a 95% average and working part-time. She's enrolled in a Bachelor of Science (Nursing) program at Dalhousie, with a goal of attaining her Masters in Nursing.

Sarah Wilson

Sackville ESSO, NB

Sarah will be entering university this Fall with a goal of becoming a doctor specializing in neurology. An accomplished honours student, pianist and athlete, Sarah received the Sackville Youth Citizen of the Year in 2011 for her involvement in the community. She's worked at the Sackville, NB ESSO for over a year.

Ben Cudmore

Stratford ESSO, PEI

Despite personal challenges, Ben worked part time and maintained solid grades during his second year at University of PEI. His career goal is to become a psychiatrist. Ben and his family received the national medal of courage from the Cancer Society this year. An avid sportsman and musician, Ben has worked at the Stratford ESSO for four years.

Lukas Geldart

Debert, NS

Entering his second year of engineering at Dalhousie Agricultural Campus, Lukas is the second in his family to receive a Wilsons Scholarship. Active in many sports from motorcross to snowboarding, Lukas works part time and maintains above average grades, all while giving back to his community through volunteer work.

Kyle Tully

Bible Hill ESSO, NS

An accomplished musician, Kyle performs with various jazz bands. Entering his final year in the Bachelor of Music (Jazz Studies) program at St. FX University, he plans to continue his schooling and work towards a Masters in Music with the goal of becoming a bass professor. Kyle has worked at the Bible Hill ESSO for four years.

William McGuigan

Montague ESSO, PEI

Overcoming many personal challenges and a serious learning disability, William now has his sights set on obtaining a business degree at the University of PEI. A talented fiddle player and singer, William gives back to his community and participates in sports. He's worked at Montague ESSO for two years and will transfer this fall to a Charlottetown location.

Breanne Dalrymple

Antigonish, NS

A bilingual honours student active in school activities, Breanne will be attending St. FX University in the Bachelor of Science in Nursing program. An active volunteer with Special Olympics and other organization, she plans to volunteer with Dr's Without Borders and help underprivileged children.
