If you're looking for local produce check out Birch Hill Farms location at Mastodon Ridge Market on Sundays. (Submitted)

## Mastodon Ridge Opens Market

By Maurice Rees

Mastodon Ridge opened a Market at its location in Stewiacke on Highway 102, Exit 11 on July 3rd. The Market will be open every Sunday until September 25th. Hours of operation will be from 11 am - 3 pm.

Markets are an integral part of many communities across Nova Scotia and continue to be popular with consumers who appreciate the opportunity to purchase local produce, baked goods, locally distilled spirits, craft beers, arts and crafts. An important feature of a local Market is that money is kept circulating in the local economy.

Customers at the Mastodon Ridge Market can ask direct questions about how an item is made or grown, thus providing an educational experience and a greater appreciation for the producer or artist. Vendors also get to share their passion for their products with their customers.

Visitors can also enjoy other features at Mastodon Ridge including mini golf, the children's playground, the Winding River Art Gallery and delicious ice cream. There is something for everyone to enjoy!

"Mastodon Ridge is a perfect location for a Market, says owner Bill Hay.

We have been developing Mastodon Ridge over the years and the addition of a Market will enhance the amenities we already have at our location.

Families out for a Sunday drive can expect to find fresh baked goods, produce and other local items. It is an opportunity for neighbours and friends to enjoy a fun, community atmosphere"

The Market expects to continue to grow over the summer with new vendors being added each week. Interested vendors can find out more information by emailing [market@mastodonridge.com](mailto:market@mastodonridge.com)
