Canada Day in Parrsboro was sunny, hot and a perfect day for Canada Day July 1st celebrations. Starting with a parade that the kids love, then over to the firehall for the annual Fireman's Day events and food. The fireworks attended by over 200 people was a great display again this year and fun for everyone ending the day with another BANG this year. (Lawrence R. Nicoll Photos)

The Parrsboro Volunteer Fire Brigade always have several vehicles in the July 1st Canada Day Parade, as they also celebrate Firemen's Day at the same time.

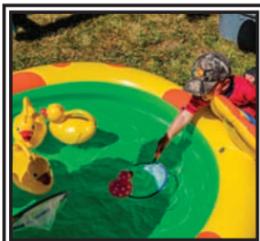

The fireman's canteen for fries, onion rings, hot dogs and hamburgers is always an attraction. The crowd didn't realize, "Foods Up", but it didn't take long before people were lined up waiting for their mid-day treat.

For a small fee you could put someone in jail have lots of fun and help the Fire Brigade with this popular fund raiser.

The evening was warm, no wind and totally clear skies making it ideal for the Parrsboro Canada Day fireworks to end Canada's 149th Birthday.

Netting a rubber ducky at the Firemen's Day festivities was an enjoyable attraction for youngsters.

Old Fashioned Saturday Night Very Successful

By Lawrence R Nicoll

Old Fashioned Saturday Night in Parrsboro on July 2nd was its usual success once again. Car enthusiasts and the general public filled the street for a evening bring-

ing back memories from the 50's & 60's.

The weather began with rain but that quickly stopped, and the streets filled, a popular event as evidenced by the many people. Over the years,

it has become not just a chance to see the old cars, but in many cases old friends.

The Harbourview Rest-

aurant completed the event by having their serving staff dressed up for the 50/60's, bringing back many memories. A wonderful night was had by all.
