

Months of Rain - In Less Than a Day

Did you know that a raven has 17 rigid feathers called pinions, while a crow only has 16. The difference between a raven and a crow is just a matter of a pinion.

Let's Revive the 90+ Birthday Party

For 10 years, during my ownership of the Shoreline Journal, I organized a Birthday Party for life-long area residents who had reached the milestone of 90 years young.

Then along came CoVid-19 and we were forced to stop. Now that we are feeling more comfortable about going out in public, **I would like to re-start the birthday party.** Maybe reducing the age requirement to 80.

I'll be contacting local volunteer groups and local churches to assist with pre-registration. I'll start accepting registrations.

Before December 31, 2023, I will need: Complete name; mailing address, date of birth, phone number and email address if available. Further details to be announced later.
