What great music, and a wonderful time for all. The opening was a piper, and our MLA Tory Rushton is the one on the pipes. Anna and the Astronauts were for the children, and they thoroughly enjoyed the songs for them. There were craft tables and food also available. A long but enjoyable day ending for most with Ian James, then the Midnight Cats at the beer tent. On Saturday July 20th the Bridgewater FD was unable to attend, replaced by the Jazz Forecasters.
