

Debert Days 2024

Debert Days 2024 started with a grand fire works display on Friday, June 28th and continued on Saturday, June 29th with a beautiful fun filled day of games, entertainment and great food. Thank you to all the volunteers who helped make this day such a huge success for the community. See you next year! (Harrington photos)

Councillor Marie Benoit welcomes everyone and introduces some of the volunteer team who helped make the day a huge success.

The foam party was a such a hit with the young and young at heart!

Some games from past field days are still popular.

A great chance to dabble in your artistic talents by painting a rock or have your face painted or a glitter tattoo.
