

Aaron Jessome was quite taken with the shiny lights. He and his mom Pam Jessome were enjoying their time at the Great Village Community Association Christmas Craft Sale. The school gymnasium was filled with vendors selling a wide variety of gift ideas and yummy treats on Nov. 20th. Buyers could also enjoy a bowl of warm chili and a silent auction was held. Debert Legion Notes

By Danny Martell

A tip of the hat and a very special thank you is passed along to Dave Boutillier. On our recent trip to the Camp Hill Complex, Dave donated a very nice sum of money to Branch 106. Dave, thank you very much for your generosity.

Congratulations are passed along to Myles Rushton and Elmer MacKinnon. Myles and Elmer were recently presented with their Meritorious Service Award (Medal) from the North Star Masonic Lodge on Sunday, the 7th of November.

A tip of the hat and a very special thank you is passed along to Betty Crossman for the fine job she did with the Branch 'Poppy Campaign'.

To Pastor Bill Martin and the congregation of the Debert Baptist Church, thank you very much for your warm reception on our Remembrance Sunday (Nov. 7th) Service. It was a beautiful Service and the fellowship luncheon was fabulous.

From all reports our Nov. 11th Parade and festivities went off very well, thanks to an awful lot of very helpful people.

To all those people who helped in any way to make the day the big success it was, thank you very much.

A Kitchen Party at its very best, on Friday evening the 5th of November. "The Eddie Coffey Group" was stuck at Elm River Park in Lower Debert because of engine troubles and Friday Night Darts were cancelled and the phone started ringing.

Judy Crossman led the charge of the phone brigade and soon after the last call; we had an old fashioned style "Newfie" Kitchen Party with live Newfoundland and Irish Folk Music.

The three piece group (band) does free shows at C.F.Bases, Legions and

Veterans Hospitals across the country, to boost morale for our troops and Veterans. Eddie and his group are travelling across North America to raise awareness and funds for the great causes that they believe in, some of which are the Sunny Brook Hospital and the Janeway Hospital in St. John's and of course our Veterans.

"The Group" raffled off a beautiful framed picture of "A Great Foggy Day" (limited edi-

Just a few brief notes this month to mention. The deadline has past and Maurice was good enough to extend some extra time.

First topic is the Remembrance Day Service at Memorial Square. It was a clear but very windy, cool day. This year twenty seven wreaths and crosses were placed at the cenotaph. Reid MacVicar placed the Federal Government wreath for Scott Armstrong, MP, while Karen Casey MLA placed the Provincial wreath and Glen Edwards placed the Municipality of Colchester County wreath for Councillor Tom Taggart, followed by the Great Village & Debert Legions, community groups, churches and school, twelve wreaths/crosses were placed by family members remembering their loved ones. Two new ones to note this year were John and Vernon Williams placed by brother Arnold and Arthur and Noyes Scott placed by Arthur's daughter and granddaughter.

Thank you to the Great Village Legion #72, the Debert Legion #106 and Debert Ladies Auxillary #106, the pipe band and to all those who took the time to contribute in anyway to our cenotaph service at Memorial Square.

On November 7, the Council catered a roast beef dinner to the North Star Masonic Lodge #74. Previously to this function, the Masons held a fundraising dance

tion) and it was won by Judy Crossman, and Judy donated it to the Branch.

Judy, a big thank you is passed along to you for the picture and also for all your phone calls, in making the House Party happen.

To the Bennett's of "Elm River Park", namely Bernice, Winston and Neil- thank you very much.

Onslow Belmont Notes

By Debbie Weatherby

Had a couple of scares one day when a deer jumped out in front of me and ran to the other side of the road. The very same day had a little one jump out on the pavement and fall right in front of me, not sure who was more scared, her or me. She was pretty close but managed to find her feet and ran off into a yard and head towards the woods. Everyone seems to think the deer have moved to town as no one is seeing as many as there used to be.

We have unfortunately lost a fixture at the office; Calli was struck by a car and is no longer with us. She will be missed by all the customers as she would greet everyone at the door. She was a beautiful cat and only 13 years old and could have had a few more good years with us. The really sad part is whoever struck her didn't have the courtesy to stop and let Terry know.

Belmont Baptist Church services are held every Sunday at 11:00 a.m. with Sunday school at 9:30 a.m. Prayer meeting is held Wednesday evenings at 7:00 p.m. They held their bible vacation school for the kids again this year and by the sounds of things the kids had a blast.

Services are held at the Trinity United Church every

Sunday at 10:00 a.m. There is also card playing of 45's every Tuesday evening at 7:00 p.m. with lunch and prizes provided. All are welcome to come for an enjoyable evening.

There will be card parties of 45's at the Lower Onslow Community Centre, 12391 Hwy 2 every Monday night beginning at 7:00 p.m. with a light lunch and prizes. Everyone is welcome and for more information you can contact Grace at 662-2822.

Condolences go out to Allan (Elaine) Betts of Belmont and the families on the loss of his mother Josephine Catherine "Susie" Betts on October 24, 2010. Condolences also go out to Claire Shannon (Ernie) of Onslow and the families on the loss of her brother Gordon Kirk Ross on November 9, 2010.

Good luck to all you hunters out there and please be safe. Well my goodness, Christmas is almost upon us once again, where on earth did the year go!! And the weather lately, heavens to Betsy, couldn't get any better, except for rain of course which caused a lot of problems for a few people with flooded basements. Knock on wood we were lucky and didn't have that problem.

Until next time, take care.
