By **Laura Brenton** Club had a very successful evening at the annual Auction
The Onslow-Belmont 4-H

and Awards Night held at Bible Hill Junior High School on October 22nd. The Onslow-Belmont 4-H Club won "Most Improved Club" and "Top Club" this year completing 96% of our projects.

Three members of the Onslow-Belmont 4-H Club were awarded scholarships at the Auction and Awards Night, the recipients are; Thomas Harrington, Fabian Hamilton and Caitlin Congdon who also received the "Aging Out" award. We are very proud of all our members and all the club has accomplished this year.

On October 30th the Onslow-Belmont 4-H Club put on a Halloween party for all the members and their families at the Onslow-Belmont Fire Brigade. There was a good turn out to the party and it was a lot of fun. At the party

there was a variety of games from wrapping people in toilet paper to make "mummies," to a costume contest and pumpkin carving.

There was plenty of food at the party and lots to do. We would like to thank the Halloween party committee for doing an excellent job and the members and leaders for their participation and help in making it a successful, fun afternoon for everyone.

On November 8th the Onslow-Belmont 4-H Club had their monthly General Meeting. On November 16th the club donated 73 pounds of food to the food bank, thank you to everyone who donated food! We are looking forward to another great year at the club!

PMC Roofing Ltd. HOLDS OPEN HOUSE

By **Linda Harrington**

After 25 years in business and with recent office renovations complete, John Harrington, Sr., President of PMC Roofing Ltd. decided it was time to have a celebration.

PMC Roofing Ltd. is an industrial/commercial flat roofing business, originally located in Hilden.

Over 100 people attended the Open House on Nov. 19th, at the newly renovated PMC Roofing location on Dakota Road. Guests were impressed with the bright, welcoming offices and spacious work area.

John Harrington, Jr., Operations Manager explained the operation of two new pieces of industrial equipment. A hydraulic shear, used for cutting sheet metal and a power brake, for bending metal, were added to the company over the summer.

"These two new pieces of equipment help make the job less labor intensive. We are always pleased to use any new technology that will allow our employees to enjoy going to work and to help them to stay healthy," says John Sr.

The PMC Company was originally started by Peter Cox back in 1986. The name was changed to Peter M Cox

Enterprise Ltd. (PMC) after a few years. In 1990, the company was purchased by Bill and Nick Carey from the Annapolis Valley and in 1992 they asked John Harrington, Sr., to take over as manager. John later purchased the company from Nick Carey.

PMC Roofing Ltd. has become a family run business with John, Sr. as President, his son John, Jr. as Operations Manager and daughter Hannah (Harrington) Priest as Safety Officer. The company employees around 20 people and has clients throughout the Maritimes.

Two of the larger more recent jobs have been at Tufts Cove Power Generating Station, Dartmouth and the NS Power Head Office on Water Street, Halifax.

PMC Roofing Ltd. was pleased to recently receive the Bowman Award from the Construction Association of Nova Scotia (CANS) which recognizes companies having held continuous membership for more than 25 years. Two years ago PMC Roofing received an award from NS Safety Construction for the Safest Company.

The Open House was followed by a banquet and celebration for invited guests at the Debert Legion.
