Chiganois Elementary Notes

By Linda Harrington

Chiganois school community enjoyed a month celebrating the virtue "Generosity" throughout December. Christmas cards and ornaments, made by students, were brought to local nursing homes, hospitals and seniors homes.

Students and staff brought in many food items during the first week of December for the local Food Bank. The class that brought in the most items was Ms. Tait's class. The entire school brought in a total of 1158 lbs of food. The volunteers from the Food Bank were amazed by this donation. Thank you everyone!

The students and staff, with the direction of Mrs. Saunders, performed a lovely Christmas Concert.

A warm thank you goes out to the volunteers for the Christmas Store, Christmas Concert, School Skate and Christmas Dinner. All of these events were a huge success; this is what makes Chiganois a true "school community".

The virtue for January is "Perseverance", with the definition, "If at first you don't succeed try, try again! Don't give up".

Primary Registration was held on January 21st. If you know of any students in our community please have them contact the school ASAP.

Chiganois received funding from the Colchester-Truro Planning Team & Thrive! They have provided funding to extend the skating opportunities provided to all students.

Lego and Book Club has started up in the New Year. Any student wanting to participate with either of these activities can do so. Book Club will be held each Monday and Wednesday at noon in the Library. Lego Club will be on Tuesdays and Thursdays in the Library at lunch. All students must eat lunch prior to participating.

Computer Club will be offered by Mrs. White. The first session was held on Tuesday, January 13th, for Grades 3-5. The Grade 3-5 students will go for the first 4 weeks and then on February 10th it will be the P-2 student's turn for 3 weeks. The students can sign up the morning of the activity.

Miss Shaw is now off on maternity leave. Miss Mills is going to be teaching the Grade One class for the remainder of the school year. A warm welcome, to Miss Mills from the Chiganois Community.

This year Chiganois Elementary will be holding a School Science Fair. All students in Grades Four and Five will be required to complete a project and display it at the School Fair. More information will be provided to each student by their class-room teacher.

The Regional Heritage Fair will be held on May 1st.

Mrs. Kennedy's and Ms. Tait's class went to NSCC on January 20th. The Principal's Breakfast for January Birthdays will be held on January 29th.
