

4-H 2016 Senior Member's Conference – March 24-26

By *Mary-Emma Barnhill*

This month, I'd like to tell you about the scrapbooking project at the Onslow-Belmont 4-H Club. Scrapbooking is a way of decorating a photo album and preserving not just photos but the stories behind them. The idea of Scrapbooking was first invented in the 1800s when a book including ideas on how to fill a blank scrapbook with pictures and newspaper clippings. In the Scrapbooking project, members get to create different pages and paper-based crafts.

For their three end of year projects, members in the Scrapbooking project can make a card, a sign, an invitation, gift tags, place settings, a single page display using family, friends, 4-H or another pet theme, a single page display using any other theme, an album with five or fewer

pages (minimum two), an album with six or more

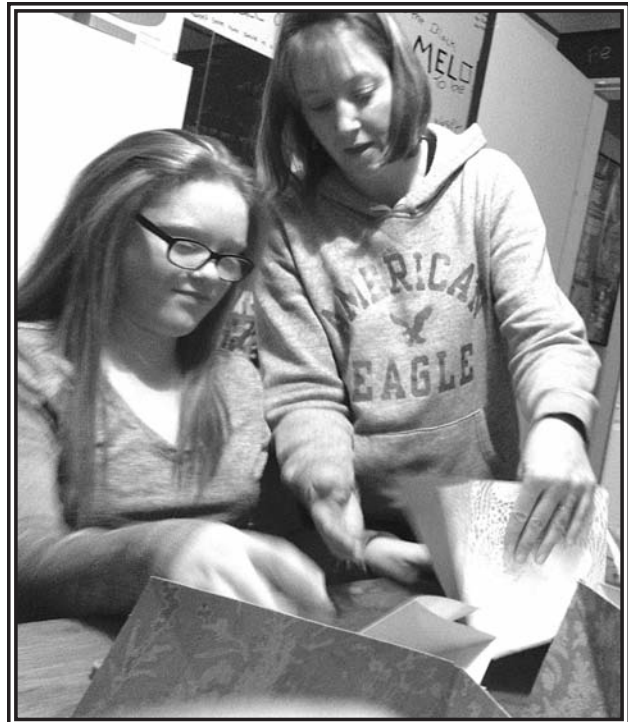

pages or a two page spread of the same subject.

Their items are judged on creativity, neatness, journaling, use of embellishments, layout, cropping, labelling, and general appearance. This year's Senior Member's Conference will be held on the 24th to the 26th of March at the Debert Hospitality Centre. All senior members in 4-H

are invited to attend.

The annual chocolate bar fundraisers are starting again! Members will be selling individual chocolate bars from a box of thirty starting next month. The profits will go towards helping to improve Nova Scotia 4-H Clubs, so please help support.
