John Ross and Sons Ltd.
 John Ross and Sons on Cummane Street in Truro has been in business since 1946 and employs up to 18 people. They are part of the John Ross and Sons Ltd., family owned and operated company based in Halifax.

The Truro and Goodwood sites are a full scaling operation specializing in ferrous scrap and at the main office in Halifax, they specialize in non-ferrous scrap. They are the largest scrap metal recycling facility in Atlantic Canada.

The Halifax non-ferrous yard is located in one of the largest industrial/retail parks in Atlantic Canada, the Bayers Lake Business Park, between highway 102 and 103.

Halifax has the second largest natural ice - free harbour on the main European/North America Atlantic shipping lanes, which allows John Ross to ship metal all over the world in a timely manner.

The scrap metal is processed, sorted and packaged at their facility according to domestic and international mill specifications.

John Ross and Sons Ltd. was one of the first companies in Canada to obtain a AQSIQ license from the government of China. They are also an active member of the Canadian Association of Recycling Industries and the Eastern Recyclers Association.
