MISCELLANEOUS

Let us be thankful for the institution of the Christian Sabbath. It is a thing wherein God has shown His mercy to us and His care for our souls. He shows that He, by His infinite wisdom, is contriving for our good as Christ teaches us that the Sabbath was made for man. It was made for the profit and comfort of our souls. Jonathan Edwards. Taken from A Medical Point of View by Professor V. Wright. "'HURRY, WORRY, BURY' has been the epitaph suggested for many people in this world. The increasing number of people taking drugs, the rising incidents of stress-related diseases, the frequency of attempted suicides reflect sadly on our modern day society and do demand an answer. No doubt that a proper regard for the Lord's Day would help improve these problems. Speaking as a physician there are good reasons physically, mentally and spiritually why we should set aside the first day of the week as a special day unto the Lord.". Visit our website www.clda.ca

Born in River de Chute, NB, he was the son of the late Freeman and Addie Fitzherbert (Tompkins). Clarence is survived by his loving wife of 58 years, Edna (Coston) Fitzherbert of Truro, NS; children, Terri Lavery (Stephen) of Mississauga, ON, Linda Adey (Greg) of Truro, NS and Susan McLeod (Chris) of Truro, NS; grandchildren, Jennifer, Alexandra, Ashton, Samantha, Benjamin and Paige. He played on most sports teams and held records in track for many years. Clarence graduated high school from Southern Victoria Regional High School in Andover, NB in 1957 and promptly felt the duty to serve his country and joined the Royal Canadian Air Force that same year. After completing training and spending time overseas, he started courting his future wife in 1962. Clarence and Edna grew up together as family friends and were joined in marriage on August 24, 1963 in Saint John, NB. After many transfers, Clarence was transferred back to Nova Scotia in 1985, where he settled his family in Truro and ultimately retired after 37 years of service to his country. He held a variety of positions in the field of communications and was promoted to Chief Warrant Officer. After retirement, Clarence and Edna took up many hobbies together. In addition to hunting, fishing and camping, they made many new friends as they started downhill skiing, square dancing and round dancing. They then began cruising with some of their dancing friends in 2000 and continued to cruise every couple years with their most recent cruise being in January 2020 where they thought it was a little strange that all the flight attendants were wearing masks. Clarence was very skilled at carpentry, mechanics and most trades, fixing anything from the family vehicles to home appliances and not even chopping off the tip of his fingers would stand in his way of finishing the task at hand. The family wishes to extend a special thank you to the staff at the Cedarstone Enhanced Care for their care and compassion. No visitation or service.
