

From the one lane opened roadway, snowbanks on Five Houses reach skyward like mountains. Road crews had to bring in additional machinery to open up Highway 2 and arteries. In some instances it took in excess of 40 hours to clear drifts from storm, which many say was the worst in memory. (Contributed by M Barry)

New Chamber Members:

Membership to the Truro and Colchester Chamber of Commerce continues to grow. The following three new members were highlighted in a electronic newsletter to members on January 19th.

SONDER CREATIVE CO. - Everyone has a story worth telling and a dream worth chasing. We help bring your ideas to life through video and design.

Video - Video is an increasingly important tool in delivering entertainment, information or marketing. We can help you stand above the crowd with high-quality video production and editing. From weddings to commercials, we have you covered.

Branding - From logo to lan-

guage, branding encompasses visual identity and personality. We'll create a unique and unified package not only to put your best foot forward but to continue moving forward with confidence.

Design - Graphic design surrounds our daily lives. Packaging, posters, apparel, social media; it's everywhere. With experience in both digital and print media, we can create design collateral that leaves an impact and give you the edge you need to succeed.

THE MENTORING PLUS STRATEGY - The Mentoring Plus Strategy draws upon the skills and knowledge of the retired and near retired (55+) population, to help support

individuals (16 - 35+) to explore and connect to career paths that relate to the Future of Work, by implementing a variety of Team Mentoring Initiatives. The Strategy also supports business sectors, non-profit groups, training programs, secondary and post-secondary institutions and sector councils, to mention a few, as they develop strategies and programming to meet the specific needs of the clientele, participants, and communities they serve.

THE SPOONERY WOOD-ENWARE & NEEDFUL THINGS - All of our wooden spoons and charcuterie boards are handmade in Masstown from Nova Scotia maple and are treated with 100% pure tung oil for a food-grade protective finish.

The lumber is air-dried for at least one year before being used to create these amazing kitchen tools.

With a huge emphasis on comfort, design and functionality The Spoonery spoons are unique and have so much character. We are proud to say that our spoons are used in kitchens all over the world!
