## Former Grand View Hotel in the early 1900's

This photo of the former Grandview Hotel, Parrsboro is from the Wagstaff collection at the Age of Sail Museum. (Submitted)

**By Oralee O'Bryne**

This beautiful photo from our Wagstaff collection is of the Grand View Hotel in Port Greville in the early 1900's. This building was in the village for many years near where Brook and Branch road meet the highway. A bustling business for many years it, like many businesses, was a victim of the changing economy as

the Age of Sail dissipated.

Some other businesses that existed in the Port Greville area during the early 1900's were the Hatfield Coach House, Tibbetts Store, Hatfield Store, Hatfield Milliner, Wagstaff and Hatfield Shipyard, Cochrane Shipyard, Issac McCully's Garage, an ice cream parlour and a tennis court.

## Masstown Community Association News

**By Chris Urquhart**

The Masstown Community Association is looking for new members. If you are interested in being a part of your community come out to our next meeting on Tuesday January 18th, 7pm at the Masstown Market. We meet in the restaurant and welcome all visitors! It is important to be a part of

your community. This is where you live and where your children are growing up. Come out and take part in your community. If you are interested but unable to attend this meeting you can call either Rodney Morgan 641-2224 or myself, Chris Urquhart 662-3550.

I know that many of you were disappointed that we

didn't do our annual Christmas tree lighting at the Park this year but last year our extension cord was stolen, our power source was absent this year and there was no one able to help with the small amount of work required. Come out and join us so that this doesn't happen again next year. See you at the meeting!

## Community Association looking for new members

**By Heather MacKay**

The Great Village Community Association will be looking for some new members or volunteers in the new year. In the past year the Community Association had a very busy year and has been active in many initiatives.

Some of the things that we have been involved in are:

Literacy Day event, Library, C@P site computers, student employment, Hunters Safety, Christmas Tea, CALA, Ball Field restoration, Christmas Craft Sale, Farmers Market Breakfasts, Karate and much more.

If you would like to help out with any of these activities to keep our small community active please volunteer. If

you can't or don't feel that you have the time to come to monthly meeting but could help us out at events by baking or volunteering for an hour please let us know.

If you have a talent you would like to share as a workshop or would like us to find someone to organize a workshop please let us know.
