

## Filly Power a New Group FOR GIRLS 8-12

By Maurice Rees

Shelby Gatti, who operates Forever Memories Equestrian Center is organizing a group, Filly Power, for girls aged 8-12. Shelby says its, "It's about girls and horses and is a Social Skills, Character Development & Leadership Class using horses to teach key skills for surviving in today's challenging world".

She says, "This is not a riding lesson or a horsemanship program. Girls will participate in special ground activities and games with our gentle herd. It is a fun and innovative

program which will leave your daughter with special memories and valuable life skills, while building her self confidence".

Enroll your daughter in Filly Power

The equestrian centre also offers Western Riding Lessons, Camp, Birthday Parties & Workshops to boys & girls of all ages. In 2012 she plans to introduce a Therapeutic riding program.

## WI's find innovate ways to help

By Sheila Richards

The festive season is upon us once again and as we prepare for the holiday our thoughts are for those less fortunate than ourselves. Women's Institute branches throughout the province find innovative ways to make Christmas brighter for some in their communities.

It could be a donation to Christmas Daddies, a visit to a nursing home maybe to sing carols or give a small gift to each resident. Some members

prepare baskets of fruit or Christmas items for seniors and shut ins.

Many WI branches will decorate a Christmas tree for their area, while others provide Christmas hampers for needy families and include gifts for any children.

The Women's Institutes of Nova Scotia wish everyone a Merry Christmas and a happy and healthy New Year.
