

Unique Opportunity for Mutual Aid Training

Debert, Onslow Belmont, Great Village and North River Fire Brigades were at the Masstown Motel on Nov. 20th taking advantage of a chance to come together for a mutual aid training night, one day before the Motel was set for demolition. Debert Fire Chief, Wade Jennings said it was a great opportunity, especially for some of the newer members, to practice some of their skills and put their training into a real life setting.

Smoke billows from the rooftop...artificial smoke that is! Great Village Fire Brigade brought their smoke machine on site to give fire fighters experience using their breathing apparatus inside a smoke filled building.

Parrsboro Christmas Parade

It rained almost all day, but by evening the rain had stopped and Parrsboro's annual Christmas parade was on. Always well attended, this year was no exception. Everyone had a great time, especially the children.
