# Clifton 4-H Club Celebrating 75 Years

In the 75 years since it was started, the Clifton 4-H Club has had several families involved for three generations. The Masters Family is the current family holding that honour. Pictured above are: Back (L-R) Brian and Scott; Middle (L-R) Riley, Debbie, Taylor and Front (L-R) Annika and Holly. (Submitted)

## By Marla McNutt Anniversary Celebrations - Achievement Day July 15

We began as a 4-H club in the 1935-36 year as a Calf Club and this year we are celebrating our 75 anniversary on July 15, 2011 with 23 different projects and 45 members. July 15 is also the date of our Achievement Day which consists of livestock competitions taking place at the Waugh's Farm, #3442, Highway 236 from 9:30am-2:30pm. This is open to the public to have a chance to come and see what 4-H is all about, bring a lawn chair and check things out. The evening pot luck banquet will begin at 6:30pm at the Cobequid Consolidated Elementary School in Old Barns, which is where all the live skills proj-

ects, such as floriculture, gardening, photography, sewing and much more will be on display. Hopefully we will have a great turn out on July 15.

## Three Generation Clifton 4-H Club Family

We have been lucky to have had several families involved in the Club for three generations. One of the families is the Masters family, who has been in the Clifton Club for over 30 years. They have been involved in many projects, including in livestock and life skills, as project members, project leaders and club general leaders. Thank you to the Masters family for their involvement over three generations.
