Captain Cob's CORN MAZE RETURNS

By Linda Harrington

Opening day for Captain Cob's Corn Maze, across from the Masstown Market on Hwy#2, is planned for Monday, July 16th. The maze will still be in its growing stage but there will be plenty of other exciting activities for crew mates of all ages.

In addition to the bouncy pillow and giant inflatable obstacle course the

Captain and his side-kick Pumpkin Patch will have a petting zoo, hay rides (on select days) and you may even have the chance to fire off a corn canon.

Captain Cob's Crazy Corn Conundrum will be open daily from 11AM until dusk, with plenty of off-road parking. Watch for special events, extended hours and additional activities throughout the summer.

Masstown Market's Ultimate Atlantic Seafood Pie

FEATURED AS COVER STORY IN THE BAKER'S JOURNAL

The market was selling about 30 to 40 seafood pies a week until it won the Ultimate Pie Contest this spring, now sales are at about 300 a week. The popular prize winning pie is featured in the June edition of the Baker's Journal, complete with cover page photo.

Laurie Jennings is pleased with the National recognition of a signature Masstown Market recipe made from fresh Atlantic ingredients. "The success of this little pie reflects well on the diversity of local products available along our Fundy Shore," he says. "Whether it is Digby scallops,

Millens Berries, or local corn, we are fortunate to have such a large variety within our own backyard."

The scrumptious seafood pies are available in a 9 inch and personal size, or served by the slice, smothered in chowder...tasty, any way you slice it!

Mike DeSaulniers, Masstown Market's Seafood Manager and Chef Megan Anatol made the cover of the June edition of "Bakers Journal" with the Masstown Market's award-winning seafood pie.
