The Truro and District Chamber of Commerce is the principal voice for business in the Colchester Region, promoting matters of social, economic and political importance.

We are currently 430 members strong, but there is always room for growth.

TDCoC offers several incentives to members. Group health insurance, group home, auto and travel insurance, and discount rates on debit/credit card terminals and many others!

Advocacy is the heart and soul of Chamber activity. TDCoC takes a stand on local, regional and national issues that affect business. It gives active support to local businesses and lobbies for their benefit.

The Chamber also provides publicity opportunities including "New Member Profile" and "Members in the News" articles that are published in the Central Nova Business News and posted on the Chamber website.

Sponsorship of Chamber events provides exposure to a large segment of the business community. Your Chamber understands the importance of business exposure. Join us, add your voice.
