Dreams made for you (a parents prayer)

For your tiny hands
For your tiny feet
For your tiny hearts
And how they beat

For the world your
Tiny eyes may see
For all the strength
You need from me

Our dreams are made for you

For each day that we carry you
For every step we see you through
For the quiet times we talk alone
For every ounce we know you've grown

Our dreams are made for you

For every time you'll need a bath
For every time you'll pass your math
For every picture we'll ever take
For every leaf you'll ever rake

Our dreams are made for you

For blisters and boils we have to lance
For the moment when you learn to dance
For the first time you plant a kiss
For the parent meetings you'd thought we'd miss

Our dreams are made for you

For the time when you learn to drive
For the honor role we hope you'll strive
For the special person you bring on home
For important words sent in a poem

Our dreams are made for you

For when it is time to leave the nest
For this we hope we've taught you best
For now you'll find just what we see
For it is with our blessings that we set you free!

Our dreams are made for you

Amen

God bless and thank-you. Thomas A. Marshall (ex-navy)

I Heard It At The Company Store

By Wendy Cox

Do you know what I heard? I heard that the Victoria hall group will have to change their general meeting night in July to the 6th because.... Gary Elliott will be showing off his race car at Victoria Hall on Wednesday July 13th at 5:30. This is Gary's 'Going Home' tour. Gary is coming home from Ontario to race at Riverside Speedway, Antigonish on Saturday July 16th in the IWK 250 RACE. Gary will be competing in the Maritime Pro Stock Tour. There will be a bbq and some music at the hall while you view the race car Wednesday and chat with Gary. Come out and check out his car and wish him well in his upcoming race.

The hall has been busy with music open mic jams and fudge sales. They are still selling tickets on a beautiful quilt too. The next big ticket to buy is one to THE SECRETS. These three NFLD girls will entertain you all evening. Tickets are \$20 and are available at Dominion Chair and at the door but remember there is limited seating.

The Victoria Hall recycle bottle bin has been removed this year BUT there is going to be a BOTTLE DRIVE on July

23rd. You can drop your refundable bottles off that morning between 9am and 12noon OR you can call or text Wendy at 902-890-9675 and let her know where we can pick them up.

Bass River Heritage Society is hosting BASS RIVER HERITAGE DAY on August 6. This will be a day jam packed with lots of events. Not only will there be Antique Engines, Tractors and Cars, steamed clams, a cake auction, bouncy house, Kettle Boil and a couple hours of live music. There will be a Traditional needle art work and textile display. Anyone who does traditional needle artwork is invited to participate.

There will be a few new displays inside the museum and a couple friendly contests that day too. Always a fun day to spend visiting with the community and exhibitors.

The summer students are busy getting things ready for this. They are at the museum every day from 10am to 5pm so stop in and have a visit.

Happy Canada Day to everyone and Happy graduation to all those grade 9 and 12 students. Enjoy your summer and please stay and play safe.
