Debert Elementary Annual 4km Fun Run was held on Wednesday, June 13th. This year there were 77 participants from Grades 3 to 6, the largest group in the 6 years the run has taken place. The students, along with a group of ten volunteer parents/teachers, have been training twice a week since the end of April. (Harrington Photos)

RCMP Community Liaison Officer, Constable Morash was leading the Debert Elementary 4km Fun Run, with lights and sirens. She had some fun with Johnny Adshade, Hannah MacKay, Megan Crowe and Mikey Totten before the run.

The Grade 6 class made a wonderful sign for the Finish Line of the 4km run.

Masstown Community News

By *Christine Urquhart*

Ah...those lazy days of summer! Our gardens are finally looking great, after suffering all that frost in June. I know many of you ended up replanting your flowers and vegetables. I guess we should listen to that old maxim - "don't plant your gardens until after the full moon in June."

Although there is lots of food around for the birds these days, they still need to drink! Be sure your bird bath is kept clean and full of water. It may sound funny, but I have had a downy woodpecker drinking out of my hummingbird feeder! He sure is a funny looking hummingbird! Many folks feed throughout the summer, as I do, but we need to be careful due to that virus that affected the finches last year. If you see any sign of infected birds, take down your feeders, throw away the seed and clean with bleach. Then, keep them down until the fall. Better safe than sorry.

If you enjoy quilting or like to make dolls, doll clothes or other items out of material, you might be interested in the materials

that the Masstown Community Association have for sale! For more information, contact Joan Ewart 902-662-2069.

Visiting: Barb Montief of Jacksonville NB visited her brother Bill Leeming & wife Shirley and friends. Brenton & Denise Smith of Kentville visited Ron & Chris Urquhart on their way to their niece's wedding in Ontario. Leigh and Darlene Turnbull spent a week in PEI. Heather Milligan and her granddaughter Kristen Spencer spent a week in Iceland. Calvin and Noreen Trenholm are back at their cottage at Five Houses for the summer.

Condolences go out this month to Diane Lundie on the death of her father Walter Perrin; Doreen Putnam & family on the death of her husband Glen Putnam and Cheryl Teed and family on the death of her mother Gene Delaney.

My silly joke for the month: A mom texts her daughter: "What do IDK, LY & TTYL mean?" She texts back: "I don't know, love you & talk to you later." The mom texts her: "Don't worry about it, I'll ask your brother. Love you too."
