

Debert Legion Notes

By Dan Martell

The Coronavirus has pretty much shut down the Dart League for 2019-20 and as a result there will be no banquet this year and Skip Dawson tells me, he will be calling all the players who are entitled to monies for their showing in the various categories and arrange a meeting with you to give you your just due (monies). To all the dart players, have a great summer and hopefully we will see you all in the fall. (Thanks, Skip!)

Crib Players, sorry I could not get in touch with Earl to see what might be happening with the Crib League. Maybe next month.

Happy Birthday wishes for

May are passed along to Mike Glen, Ralph Campbell, Mae MacDougall, Sue Taylor, Virginia Roberts (Silver Cross Mother) and Shirley Lewis.

Happy Anniversary wishes for May are passed along to Mandy Slack and Chris Alexander, Gloria and Ralph Campbell, Annette "Jo" and Steve Williams, Cathy and Gerry Whelan.

Please don't forget to thank a Veteran. It is because of their sacrifices that we are able to enjoy our country and our freedom.

Please say a prayer for our troops who are serving in foreign countries and their families.

Unique Graduation for CEC

Continued from page 1

Jim says the committee was able to purchase 1600 meals for the graduates and their families. All expenses for the event were either donated or paid for through a GO-FUNDME account that reached over \$20,000 in donations.

There was much car horn honking throughout the outdoor ceremony as names were called and after all graduates

had their turn walking the stage on Friday, June 26th there was a group photo staged with the graduates all throwing their caps in the air from their parking spots.

Graduates continued to celebrate after dark, with music and celebrity video greetings played on the big screen. At 10:00PM, the fireworks started with one of the largest fireworks event ever set off in the Province, dedicated to Emily

Tuck and to Ameilia McLeod's father and stepmother, Sean McLeod and Alanna Jenkins.

Earlier in the week graduates picked up their grad caps and gowns from CEC and over three days, five minute appointments were booked for each graduate and four family members to attend an official school-based graduation in the auditorium, where students were presented with their diplomas by the Principal.

When asked how graduates felt about their 2020 Gradua-

tion, there were nothing but rave reviews...perhaps this will be new trend.

Congratulations Class of 2020, this will certainly be one for the memory books and well deserved!
