

Warmth by Design, a Dramatic Crown for Hub Centre Drive

With the expansion complete, Warmth by Design has high visibility on the corner of Hub Centre Drive. (Submitted)

Skillets, tarps, gloves, barbecue tools and much more is in stock. Come see what you're missing in your collection.

Take the heat outside! Warmth by Design has a number of styles of outdoor cooking systems.

Get Comfy! Styles abound for making your yard 'hop' with classic designs and new patio features. Furniture pieces will continue to arrive throughout July and August, much of what's been ordered is being pre-sold, so be sure to talk to Trina if you're looking to outfit your outdoors this summer.

Soffit, Facia & Roofing

We were pleased to work with Warmth by Design to provide soffit, facia and roofing for their new expansion.

KAULBACK'S

Heating & Ventilation

Save on Energy!

Please consider us to install a heat pump as you strive to reduce energy costs.

We prefer a heat pump from KERR.

We were pleased to participate in the Warmth by Design expansion to install Kerr Heat Pumps.

Quality Service & Workmanship since 2001

Congratulations to Trina and Leif Langille on their expansion and 10TH Anniversary of Warmth By Design.

For eight years it has been our privilege as a supplier to be part of the team.

Your drive, passion and commitment to quality products and outstanding customer service has been the corner stone of your success.

Your friends at Regency Fireplace Products celebrate your accomplishments and success in these times and wish you all the best in the future!

It's more than a fireplace!
