First Reading - Civic Addressing By-Law

By Maurice Rees

Colchester Council approved first reading to a Civic Address By-Law, which when approved will provide greater visibility of civic addresses for EHS, First responders, Fire Departments and other emergency personnel.

Councillor Johnson, who has over 25 years volunteer Fire Department experience stated he has been pushing for this for years. He suggested to council most important for fire departments rushing to an emergency, the real benefit it to EHS, whose people do not know the area, and are on emergency calls.

Presentation to council was facilitated by Dave Westlake. With first reading approved, the matter will proceed to Second Reading, as which time extensive discussion will occur. Councillor voted in opposition to the motion to approve first reading.
