Chamber Members for June

The following are new Truro & Colchester Chamber of Commerce Members for the month of June.

Scotia Systems Computer Solutions - Tatamagouche, NS; Ph: 902-957-2575; Email: ngunn@scotiasystems.com

Originally from Manchester, England, Nick studied Computer Science at Edinburgh University. After moving to Tatamagouche, Nova Scotia he focused on developing digital media strategies for a range of businesses, small and large. Perfect Design - Creative digital designs that work with your branding. Web Development - Small and large projects based on leading industry standards. Social Media - Integrated Social Media marketing strategies. Video Production - Quality video production and editing including aerial footage. Graphic Design - Enticing graphics utilizing the latest technologies. Competitive - Competitively priced - contact us for a free quote.

Darryl Osborne, Financial Advisor - Email: darryl@lilleyfg.ca Darryl Osborne is focused on you and ensuring that your financial needs are met. This means regular communication and portfolio reviews, along with tailored financial plans created, executed and regularly monitored. Enduring relationships based on communication, trust and visible results is what has driven our practice, which grows on the referrals of satisfied clients and our strong reputation. My goal is to give my clients flexibility; helping them imagine new futures and possibilities.

Truro Pride Society, Truro, Nova Scotia <https://truropride.ca/>
The Truro Pride Society creates conversations and fosters understanding between 2SLGBTQIA+community members and the members of the local, traditional, and social communities in which they reside. Conversations are respectful, inclusive, celebrate diversity, and are conducted to encourage intersectionality. Truro Pride will advocate for safer spaces, celebratory events, such as the Truro Pride Parade, and a better understanding of 2SLGBTQIA+ challenges and successes. The Truro Pride Society works to improve the representation and well-being of the local 2SLGBTQIA+community within the larger communities of Truro and Colchester County while celebrating the diversity, uniqueness, and relevance of us all in relation to each other.

NPower Canada, Halifax, NS B3J 3K8, Ph: 902-493-3698; Email: outreach@npowercanada.ca Website: <https://www.canadahelps.org/en/charities/npower-canada/>

NPower Canada is a charitable organization that launches youth and adults into meaningful careers in the Information and Communication Technology (ICT) field. NPower Canada programs provide participants with free in-demand digital and professional skills training and connect them to new and rewarding career opportunities with some of Canada's largest employers. Through consultation with a wide range of employers, NPower Canada's comprehensive curriculum ensures participants are equipped with the in-demand technical and professional skills most sought after by industry.

NPower Canada provides employers with access to a pipeline of eager, diverse and job-ready young talent with in-demand digital skills who are primed to succeed in the workplace. Graduates receive ongoing support and coaching to ensure continued success in their careers.

Rural Roots Engineering & Design Ltd., Debert, NS, Ph: 902-890-2738; Website: <http://www.rural-roots.ca/>

Rural Roots Engineering & Design was founded to offer professional engineering and design services for small and medium-sized projects - primarily in a rural setting. We offer a specialization in the agriculture and food sectors, but pride ourselves on our trans-disciplinary approach and practical, project-oriented mindset.

Principal Engineer, Steve Brogan, PhD, PEng is a registered professional engineer in all four Atlantic provinces. In addition to his engineering skills, he also holds a PhD in Natural (Ecological) Design from the University of Dundee in Scotland.

We are pleased to offer our clients a range of services through strategic partnerships with other engineering firms, construction companies and design professionals such as architects.

Gridline Construction Ltd, Trenton, NS, Ph: 902-695-3556; Email: info@gridlineservices.ca

Located in Trenton, NS, for the past 25+ years, we have provided civil construction solutions to clients in the commercial, industrial, and municipal sectors throughout the maritime provinces.
