Four-year-old Hannah Merzbach performed the ribbon cutting for the Portaupique Community Centre.

The Portaupique Community Centre is lovely both inside and out.

MLA Tom Taggart chats with the Honorable Arthur J. LeBlanc, Lieutenant Governor of Nova Scotia following the grand opening.

NOVA SCOTIA

THE PORTAUIPIQUE COMMUNITY CENTRE

The community centre is the heart of Portaupique, representing healing and hope. The Government of Nova Scotia provided \$748,000 to the Municipality of the County of Colchester and \$425,000 to the Riverside Community Hall Association to support the new Portaupique centre. Supporting the community centre will help us to address the recommendations from the Mass Casualty Commission Report.
