The chamber has a membership of 430 and hopes this event will be successful and can continue on an annual basis. It is anticipated, next year there would be some refinements to the categories and voting process.

Once voting is finished on June 3rd, organizers will

determine the top three firms in each category. These firms will move onto the next phase which is a gala banquet and award ceremony on June 17th. The winner will receive the Best of Colchester award for that category.
