

# 2011 90 and 90+ Birthday Celebration

*Are you interested in a  
ministry to Seniors?*

**Community Chaplain Service is looking for  
such people!**

## *Becoming a Friend in Jesus!*

Community Chaplain Service, Canada Inc. is interested in developing and expanding our Nursing Home ministry in your area. The heart of CCS ministry is one-on-one bedside evangelism.

We are looking for people with a burden for the Nursing/Special Care Home Residents and would be willing to volunteer one or two hours a week to visit these "forgotten" people—befriending them and showing the love and compassion our Saviour, with a goal of sharing the good news that Christ loves them.

We offer a training program for all those who love seniors and are interested in providing Christ-centered love and hope to parents, loved ones and all the elderly who are unable to go to church and quite often are lonely, forgotten and waiting for a "friend" to come and see them.
