WHY "SHOP LOCAL?"

Locally-owned businesses give back to their communities every day, through taxes, employee salaries and charitable donations. They support sports teams, service clubs, schools, festivals and events. It's all part of doing business...and being a good neighbour.

When they prosper, you and your community prosper.

There's no need to roam, the best shopping's here at home. Shop Downtown Truro!

DAY TRIP SUGGESTIONS FROM TRURO

With Truro as your “home away from home,” you can enjoy a host of interesting day trips that will help you experience the beauty, history and key attractions of the area. Our central location at the junction of Highways 102 and 104 and our close proximity to Halifax International Airport make Truro a most convenient place to stop awhile.

The following day trip packages can all be comfortably completed in a day or less, so you can be back in Truro by evening, where a variety of accommodation and entertainment options await you. You may opt for a cozy Bed & Breakfast, an historic inn, or a family-style hotel. After a busy day, your first choice for evening entertainment may be dinner and a movie or a stroll through Victoria Park. Or you may want the more lively atmosphere of a pub or lounge. Your shopping options range from department stores to unique boutiques, or you may want to try your luck at the harness racing track. Whatever your choice, Truro is definitely the centre of it all! Staff at the Glooscap Visitor Centre and

Truro Welcome Centre can help you plan specifics of these and other interesting excursions.

A Day at the Beach - A short hour's drive will bring you to the warmest waters north of the Carolinas. If the tide happens to be out, just take off your shoes and enjoy a stroll along the sloping sands. You can walk for miles and observe an abundance of marine life and sea treasures.

Taster's Choice - You may have to loosen your belt for this one! Enjoy a full maple brunch at a maple sugar camp; sample award-winning wines at a local winery; indulge your sweet tooth with handmade chocolates or hard candy or perhaps, delicious blueberry and maple treats. And around every corner, there'll be a place you can stop to enjoy succulent fresh seafood.

“Go Wild” - A great day for families! Visit the Shubenacadie Wildlife Park where you can view many native animals in a natural woodland setting. Experience a guided prehistoric adventure at Mastodon Ridge. Visit a Red Deer farm or scan for bald eagles along the Shubenacadie River. Watch

the Tidal Bore come up the river or enjoy a wet and wild tidal bore rafting adventure.

Art Enthusiast's Delight - Discover our many talented local artists. Scrimshaw, rughooking, quilts, water-colour painting, clay work, stone carving, wood turning, iron work, pewter - are all examples of fine artwork you'll discover nearby.

Fall Frolic - marvel at the amazing fall foliage with a drive to the Wentworth Valley, stopping at all the roadside markets along the way. Lose yourself for a few hours in a corn maze, or get a different perspective on the local

scenery with a canoe excursion on a nearby lake or river.

Photographer's Dream - A camera and hiking shoes are two “must-haves” for this trip to Economy and Five Islands. The scenery is spectacular all along the shore, particularly at the top of Economy Mountain or along the hiking trails that yield splendid views of the five islands. (In autumn, the hills are ablaze with colour!) At low tide, vast red sand and mud flats are laid bare, allowing you to “walk on the bottom of the sea”. Clamdigging, rockhounding, bassfishing and birdwatching are all popular activities.
