Let's Find a Cure for Breast Cancer

A portion of every sale of Esperanza Laminate and selected carpet supplied by Beaulieu Canada will be donated to help find a cure for breast cancer. This year Beaulieu has donated \$25,000 to this cause. Thanks for your generous support so far. Everyone knows a Mother, Sister, Aunt, Grandmother, Daughter or friend that has been touched by this horrible disease. Help us help Beaulieu with the tremendous endeavor.
