

Glooscap 4-H Member Wins National Award

By Emily Prescott

4-H judging day is fast approaching. Members are busy practicing with leaders in preparation to this event. Tips are being given out to members on how to improve their judging skills. We wish the best of luck to all 4-H members with this event, which will be held on May 22nd at the Agri-dome.

The Glooscap Trail 4-H Club attended the Nova Scotia Provincial 4-H night on May 11th, held at the NSAC. Members and leaders enjoyed watching the great talent performed by many 4-H members from across Nova Scotia.

From our Club, Emily Prescott won a National 4-H Travel award. She will be attending The National Members Conference in Toronto this November.

Next general Meeting will be held on

June 4th and will be moved back to the Bass River Community Hall at 7:00pm. All members are encouraged to bring a pet for a pet parade.

Emily Prescott is club reporter for the Glooscap 4-H Club

WCCS End of Year Celebration

By Denise Gilley

The end of school year celebrations for West Colchester Consolidated will be held on Thursday, June 27th at 7pm for a showcase of grades 5 - 9 students' work and activities from throughout the school year.

Grade 9 students will be honored with a Graduation Ceremony and video reflec-

tion of the 2012-2013 school year. All grades 5 - 9 awards will be presented as well.

Please, plan to attend as we round out our school year with an overall volunteer recognition, some great musical entertainment and refreshments.

Doors open at 6:30pm. Everyone is welcome.

Emily Prescott was awarded a National 4-H travel award to attend the National Members Conference in Toronto in November. Awards were handed out at the Provincial 4-H night held recently in Bible Hill. (Submitted)

Debert Legion Notes

By Danny Martell

Well folks, as of Friday the 31st of May the Friday Night Suppers will come to the end of another very successful year. Thanks in part to the hard work and dedications of Betty Crossman and all the wonderful people who helped her in the kitchen.

I spoke to Betty a few days ago and she said the Suppers were a success and she said to thank everybody for all their hard work and dedication to the Suppers. She said some workers dropped in for day and never came back but without them she couldn't have done it.

To Betty and ALL her helpers we pass along a very special thank you for a job well done, Will Betty be back for the Fall Suppers? At this time she is not sure, she would like to see someone younger take over and she could/would help them.

For the summer months Betty hopes to get down to Spencer's Islands for a few days with a few good friends and just relax. She also said she loves to go trout fishing but she doesn't think she could navigate the brooks and stream to get a few speckles for a fry up. Betty enjoy your summer!

Deanna and I had the good fortune and good eating to attend the United Church Fish/Corn Chowders which were held at the Fire Hall in Debert during April and the first week in May and they were just scrumptious. To all who helped in any way thank you very much. For five weeks there were an awful lot of people who did and awful lot of work and to all of you, thank you. To Norm Strong and Kenny Spence, your chowders were/are first class. Thank you, a job well done.

On Saturday evening May 18th the Dart League held their year ending Banquet here at the Branch with a Surf and Turf Supper, followed by a dance, which ended a very successful season.

The League and yearly individual Stats were

printed in last month's edition.

In Play-Offs, Dave Henwood had a 180. The winners in the Play-Offs were Team 6, consisting of Craig Fraser, Brenda Forbes and Ron "Easy" Eastcott. The Runner-Up Team 1 had Eric Barnhill, Audrey Gallagher and Deanna Martell, with Team 4 with Mike Giles, Ken Smith and Marg Nicholson finishing in 3rd spot.

All winning team members and individual stat winners went home with a very nice "Award Certificate" and a pocket full of money.

Branch President Mike Taylor and his good wife Susan were special guests of the Dart League and enjoyed a very good evening.

To Debbie Buchanan and Marcia Eastcott who looked after the kitchen (salads, etc.), thank you, the salads were beautiful, the BBQing was handled by Ron "Easy" and Eric Barnhill and they did a fabulous job on the steak and chops. Thank you Eric and Ron. Deanna and Dan Martell turned the green bugs a beautiful red colour and they (the bugs) were very tasty. Thanks Deanna and Dan.

The Dart League donated \$500 to the IWK Hospital and a special thank you is passed along to the League and all the players for this generous donation.

To all who helped with the clean-up and setting up for the dance, thank you.

To the outgoing Executive (2012-13), thank you very much for a job well done. To the incoming Executive for 2013-14, thank you in advance. To Skipper and Craig who kept me supplied with Stats for the year, thank you very much.

To all who helped in any way at all, thank you. A very good year.

Well folks, it is that time of year again when the wild strawberries are blooming, the black flies and mosquitoes are at their biting best and the night crawlers (worms) have fish written all over them.

Our first two fishing stories this spring could also be classified as the first swim of the spring. It seems Timmy (Splash) Martell and a couple of buddies tried their luck on

one of the back lakes for some largemouth bass. They got some nice bass with the biggest measuring 16 inches and the day was going good until Tim either jumped in or fell in and that was about it for the bass fishing for the day. Tim you can't catch fish that way! Boy, I just have to have a talk with Splash. His buddies had a great laugh.

Now if any of our trout fisherman or women are fishing trout lakes in the high country and snag a trout wearing glasses, please give Danny MacEachern a call. It seems Dan was having a beautiful day and even had a few trout in the boat when he tried the fatal cast of all cats. Dan said the next thing he knew he was standing in chest high water and couldn't understand why everything was fuzzy. On his drive down off the mountain he realized his glasses were on the bottom of the lake. Dan is very happy there was no one on shore with a camera.

Will Tim or Dan be making up a list of things to do/and not do on their next fishing trip(s). I bet Wendy and Betty had a good laugh.

If any of our readers want their workshops (office) "Bruce Proofed", give Gerry (The Bear) Dykens a call. He had a fool proof method. Speaking of "The Bear", he is wondering if the old gang will kick him off the golf team because of his inactivity.

Happy Birthday wishes for May are passed along to Mike Glen, Ralph Campbell, Mae MacDougall, Sue Taylor, Alfred Matthews, Jim Dykens, Virginia (Silver Cross Mother) Roberts, Kenny Smith (sr.), Shirley Lewis, Marg Nicholson and Phyllis McCullly.

Happy Anniversary wishes for May are passed along to Gloria and Ralph Campbell, Shelia and Wilfred Crowe, Annette and Steve Williams and Phyllis and Gordon McCullly.

Please don't forget to thank a Veteran. It is because of their sacrifices that we are able to enjoy our freedom and our country. Please say a prayer for our troops who are serving in foreign countries and their families.
