## Notes from Along The Shore

*By Ruth Thompson*

Well, here goes at another attempt to get news reported to the Shoreline Journal. The spring is finally here. Cottage people are returning to the area. Colleen and Gary Newton are back as well as Marilyn and Dennis Cock. Welcome back. Congrats go to Lucia and Bert Fulmore on their 63th anniversary.

The three restaurants are open for the season. Pat's Board walk in central Economy; Grannies and Dianne's in Five Islands. Be sure to visit Five Islands Masstown Market, it's a busy spot in the summer.

The Gloosecap Bazaar will be opening soon. Lots of crafty people to show off their talents. Come visit.

Another successful 90th Birthday Party was held at the Economy Recreation centre on May 12th. Everybody there had a good time. The Reach for the Top team from CEC were in attendance. They along with other people were there to help serve the meal put on by The Ladies of the Economy U.C.W. Beeper the Clown made an appearance. He was a hit with the young and the young at heart.

The exercise group and the card group are all finished for the summer. These groups will start up again in the fall. These groups are a great way to get together with other people.

The Victoria Hall in Bass River is going great. There have been some good and talented people coming to entertain. Just look at the Company store for more details.

So, This is all for now. I plan to visit some people in all three communities in the near future. I would ask that if anyone wants to visit, I would welcome them to go along with me. I can be reached at 902-324-2262.

If anyone has news that they would like to share! I can be reached at ruththompson01@belleliant.net or at 902-324-2262 for the July issue.
