

Green-Diamond's New Location in Onslow

Continued from page 2

officially opened when Greg Burns, Manager of the new Green Diamond Equipment location and Tina Sears, CEO at Green Diamond Equipment cut the ribbon to officially open the new location.

A BBQ operated by local 4-H Clubs was a popular stop during the open house; Rae-Anne, from the Kentville Green Diamond location was

busy putting her artistic face painting skills to work at the Open House; another popular attraction was "farm scene cutout" where children or those who wished they were could have their picture taken.

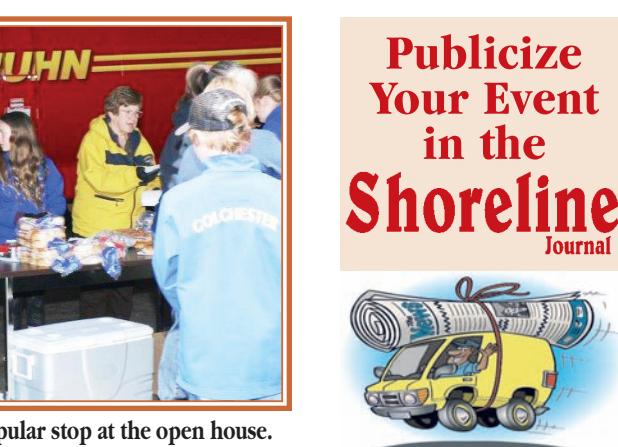

Information about the 14 locations in NB, PEI and NS and the new Onslow facility can be found at: www.greendiamond.ca

Adrie and Albert were dreaming of hitting the back roads in this rig!

Blake and Nick Gallant were happy test driving the smaller equipment, with dreams of one day moving up to the real thing.

Larry Hamilton started with MacLeod Farm Machinery, Lower Onslow back in 1975, and is pleased to be part of the recent move of Green Diamond Equipment Ltd. to the new location in Upper Onslow.

Volunteers from the local 4-H club manned the BBQ which was a popular stop at the open house.

Rae-Anne, from the Kentville Green Diamond Equipment was busy putting her artistic skills to work face painting at the Open House and Rylan Jollimore was one of the first in line.

Hailey Patriquin, Memphis Roy and Preston Roy enjoy some appropriately decorated green and yellow cupcakes.

Merridy, Rowan and Sawyer Hunt were just too cute, posing for a photo in the farm cut-out.
