

“Put Litter in its Place”, Colchester Solid Waste

As an approach to increase the inclusivity of Colchester’s waste reduction education material, additions have been made to the website Arabic, Simplified Chinese, Hindu, Tagalog and Spanish waste sorting guides. With the help of the Director of Public Works, we are currently working on the French translated version.

During a “Put Litter in its Place”, Colchester Solid Waste for one year to promote litter awareness messaging. The litter message “Put Waste in its Place” can be seen on the wall of the Rath Eastlink Community Centre and smaller posters on the bins inside the rink, food court, bathroom etc. A two month campaign was also arranged with Steps on Arthur.
