

Re-Elect**SCOTT
ARMSTRONG**

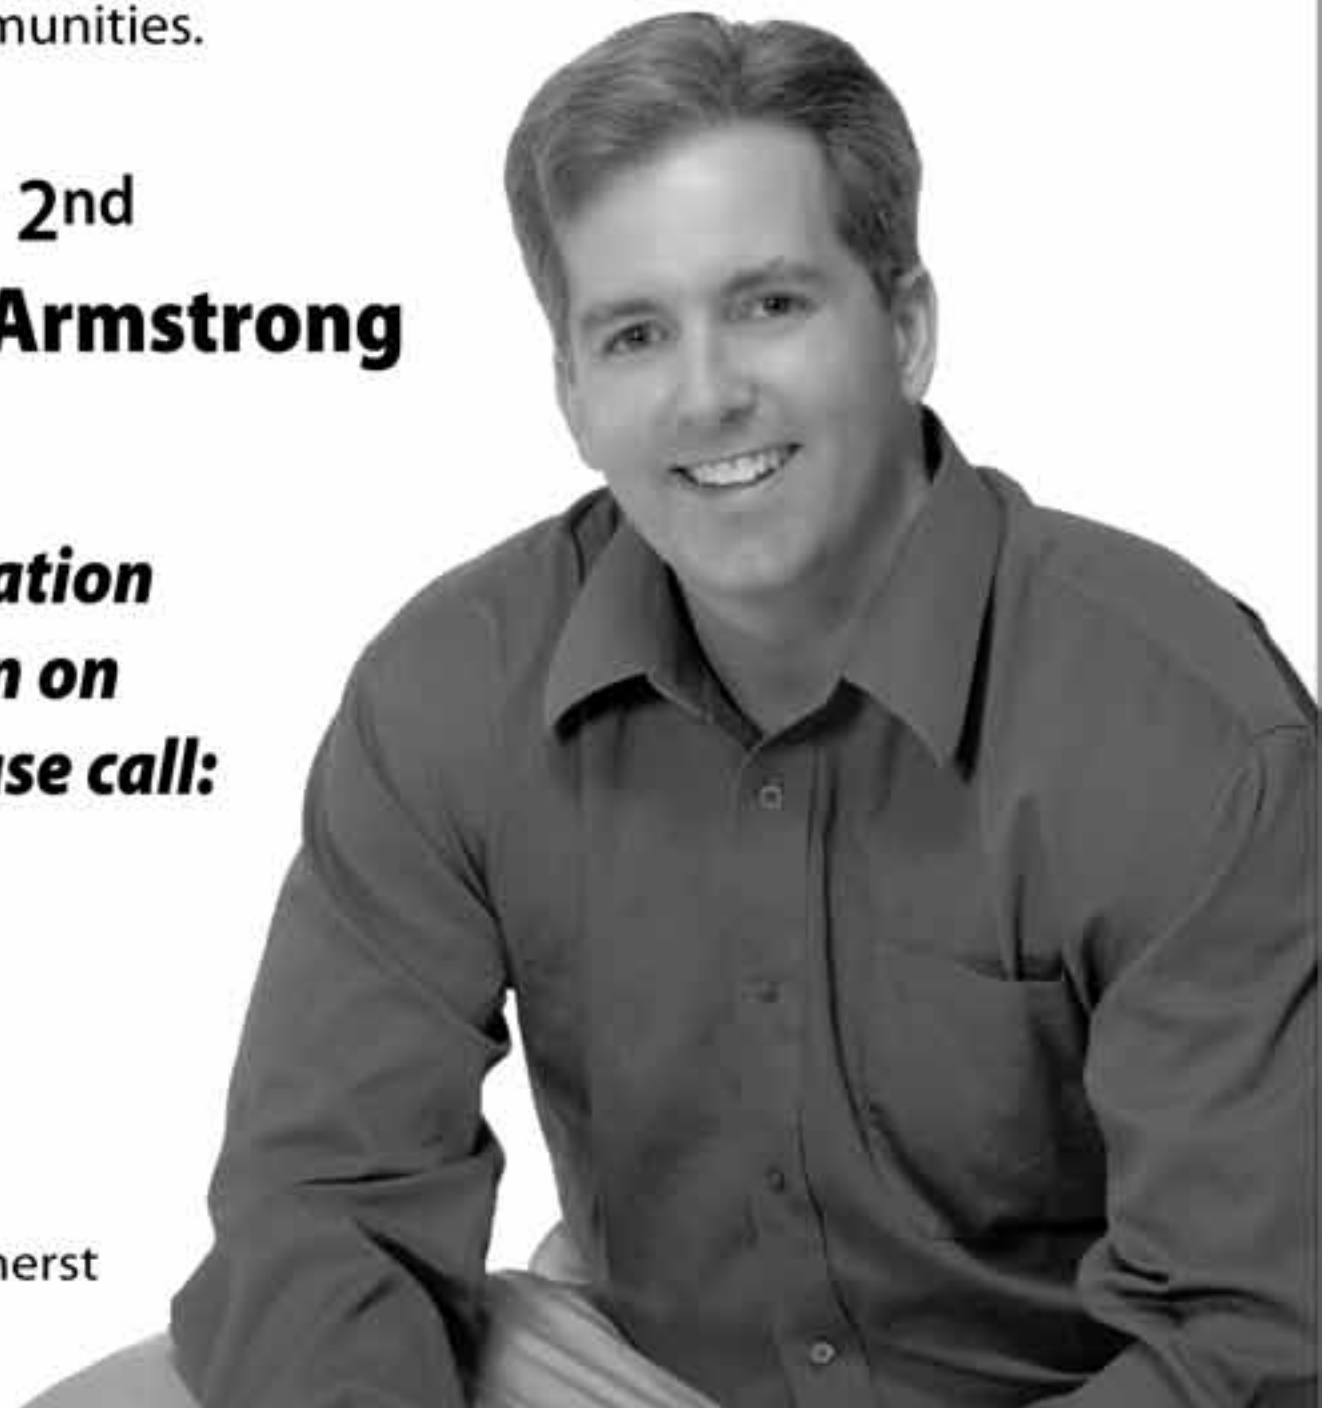

- **will support** enhancing the GIS so eligible low-income seniors will receive increased benefits up to \$600 for single seniors and \$840 for couples.
- **will support** a \$3,000 tax credit for volunteer firefighters who bravely serve our communities.
- **will continue** his efforts to scrap the wasteful long-gun registry.
- **will not support** "Fracking" on the North Shore.
- **will support** removing the limit on the amount of eligible medical expenses that can be claimed on behalf of a financially dependent relative.
- **will support** a new family caregiver tax credit of \$2,000 for caregivers of loved ones with infirmities, including, for the first time, spouses, common-law partners and minor children.
- **will support** forgiving a portion of the federal component of student loans for new doctors and nurses who choose to practise in underserved rural and remote communities.
